

Woman Dies In Boating Accident; 1st Of Year

Body Of Mrs. Arline
Jimerson, 30, Still
Being Sought At River

A sliver of metal, a submerged object and the swift Mississippi river current were three steps in the death of a Granite City woman Monday afternoon, as this area's first drowning of the year was recorded.

The body of Mrs. Arline Jimerson, 30, of 1924 Grand avenue is still being sought after a motorboat in which she was riding struck an underwater object about 4:30 p. m. Monday, throwing all three passengers into the choppy water.

The accident occurred between 200 and 250 yards north of the Chain of Rocks Bridge, in mid-channel. Recovery operations were suspended at 10:30 p. m. Monday because of darkness, the swift current and qualities of floating debris that hampered the search.

The others in the boat, Hillary Keelin, 40, of 3320 Nameoki road and Kenneth Archer, 34, of Nameoki station, were pulled some two miles downstream before they managed to reach shore. They were in the water nearly an hour.

Final Seconds
Keelin gave the following account of what happened in the water:

"Kenneth and I were about 50 yards apart and she grabbed me around the neck, shouting for me to have to dive under to get her head, and when I came up, she couldn't get hold of her again, he said.

"I saw her when she came back up but I couldn't get her this time. I think Kenneth had hold of her once, but she was fighting him pretty bad, too. Then we lost her."

Mrs. Jimerson was at best a "fair" swimmer, he said.

Sliver Of Metal
Mrs. Jimerson's landlady, Mrs. Rose Pettit, said a "sliver of metal" was pulled from the boat to take off work at noon Monday to go to a doctor. Then, apparently on impulse, she decided to spend the remainder of the afternoon boating.

The three had been on the river more than two hours, since about 2 p. m., when the accident occurred, Keelin said. They left from the Clinton boat dock just north of the Chain of Rocks Bridge, and were returning to the landing.

The boat, an 18-foot plywood cabin cruiser powered by an 80-horsepower motor, was owned by Keelin. It rammed something just beneath the surface with an impact that hurled all three into the river.

"It felt like a submerged log," Keelin said. "I don't know what else it could have been."

The craft spun sideways, Keelin said, but did not capsize. It was recovered on the west bank Monday night. The right fin had been damaged slightly.

School Borrowing Reaches Million For First Time

Indebtedness of the Granite City school district other than construction bond issues has hit the \$1,000,000 mark for the fiscal year ending today. A \$100,000 tax anticipation warrant was approved Tuesday night by the school board, which had authorized \$800,000 earlier.

It is the first time school borrowing has reached the million level, but the total is less than was feared might be necessary. Varied reasons are responsible for the debt rising at the same time efforts have been made to reduce it, but the main factor has been sharply rising enrollment, necessitating more employees, construction of new buildings and resultant boosts in overhead maintenance costs.

A program of regular debt reduction was launched several years ago and was partially successful, but the battle of the budget has proved increasingly difficult, school officials report.

A quarter-million dollars was budgeted last fall for retirement of anticipation warrants, but the debt rose instead. One major cause was alteration of the assessed valuation after 1959 tax levies, noting that \$1,500,000 of potential borrowing had been listed in the 1959-60 budget. This was reduced by the \$250,000 increase, a \$300,000 state aid increase and \$200,000 obtained by deferring opening of the West 25th junior high until September, postponing some improvement projects at other schools and delaying equipment purchases.

Where the district is headed in the future will be affected by:

Saturday Last Day For Nameokians To Pay Tax

Two days remain for residents of Nameoki township to pay their 1959 property taxes. So far, about 72% (\$470,000) of the total \$657,760 tax bill has been collected. Collector Harold Mass said today.

Nameoki residents who have not paid their taxes may do so in person at Mass's home, 1320 Harvard avenue, State Park place, through Saturday. Taxes also may be paid by mail, but must be paid by 2:00 p. m. Monday. The office is open from 9 a. m. to 5 p. m.

The three had been on the river more than two hours, since about 2 p. m., when the accident occurred, Keelin said. They left from the Clinton boat dock just north of the Chain of Rocks Bridge, and were returning to the landing.

The boat, an 18-foot plywood cabin cruiser powered by an 80-horsepower motor, was owned by Keelin. It rammed something just beneath the surface with an impact that hurled all three into the river.

"It felt like a submerged log," Keelin said. "I don't know what else it could have been."

The craft spun sideways, Keelin said, but did not capsize. It was recovered on the west bank Monday night. The right fin had been damaged slightly.

Five Life Jackets
Inside it were five life jackets that no one had thought necessary to wear.

Nine members of the Long Lake voluntary emergency corps answered the drowning call Monday evening, received about 7 p. m. from the Mitchell fire department.

At the scene, they teamed with the Wood River emergency corps, equipped with civil defense-donated rescue boats, until recovery operations were halted.

Mrs. Jimerson's husband, William, was not with her.

Thousands To Attend July 4th Festivals

Four-Day Picnics To
Open Friday Night In
Wilson Park, Madison

Crowds estimated at up to 20,000 are expected to witness Fourth of July fireworks displays in the Quad-Cities and participate in four-day park festivals during the long holiday week-end beginning tomorrow.

Major scenes of activity will be the Wilson Park grounds in Granite City and the Third Street school and city playground area in Madison. The traditional fireworks programs are planned for Monday evening, July 4.

In both cities, activities will begin Friday evening and continue through Monday night. There will be no July 4 observance at Lee Park, Venice, where the major summer festivals are held each year in June and August.

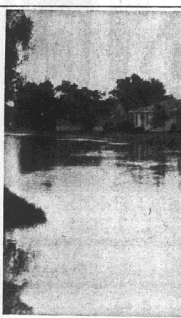

Rides, Stands, Games
Rides and concession and refreshment stands are being set up in both Granite City and Madison, and extensive baseball and softball programs are being planned as well as other events.

At Wilson Park, the festival grounds will be in operation from 6 p. m. to 10 p. m. Friday and from 1 p. m. to 10 p. m. on the following three days. Regular rides will cost 20 and 25 cents and children's rides will be 15 cents, except from 2 to 5 p. m. Saturday, when all rides will be reduced to 10 cents.

Children of the Maryville orphanage will be guests of the park district and ride operators Saturday morning.

The Friday agenda includes a dance contest on 29th street, where music will be provided by an orchestra and 200 records will be played.

Two Boys Admit \$300 Burglary At Tavern This Week

Two young brothers, ages 16 and 12, have admitted a Tuesday night burglary of the Shamrock Tavern at 4708 Lake drive during which an estimated \$300 in loose change was taken from two cans and pinball machines.

Most of the loot, which included a carton of cigarettes and a wrist watch, has been recovered by county authorities, who apprehended the boys at their home and turned them over to the county probation officer.

They into the tavern, gained by forcing a window in the women's restroom. Several pinball machines were broken into, and an undetermined amount of change removed, and the burglars took about \$300 in change from the cans. A bartender of the tavern discovered the break-in early yesterday morning.

\$25 Whiskey Taken
An apparent sneak thief made off with \$23 and four bottles of whiskey from Rodrick's tavern, 2723 East 24th street, according to a report made to Granite City police Monday afternoon by O. Rodrick, proprietor.

He said the theft occurred between 2 and 6 a. m. on Monday and there was no sign of a forced entry. The money was taken from the cash register and included currency and halves and dimes.

Legality Of \$10,495 Cut In Library Budget Under Study

The city's budget total is in doubt.

Legality of a \$10,495 slash in the public library budget within the city's 1960-61 appropriation is under study.

The overall city budget, revised and adopted Monday night, amounted to \$1,458,447, or \$749,000 under the amount being considered before the library budget reduction was approved by a 10-2 vote.

However, a resolution passed before the council in December 1955 is being studied to determine if the city is legally bound to permit the library board to set its own budget, or if the amount must not exceed tax limitations.

Slushy Calls For Cut
The library's budget for 1960-61 was set at \$82,975, an increase of \$10,495 over the 1959-60 budget. Alderman Casner Slushy, who recommended the \$10,495 slash, pointed out the library had a \$27,000 balance at the end of the past fiscal year and \$6000 was set in the new budget for purchase of a second bookmobile. He suggested that with the reserve and elimination of a second bookmobile, the library budget could be kept at last year's \$71,480 figure.

Slushy told council members "Here we have a place to knock" (Continued on Page 17, Col. 4)

Firemen, Volunteers Rescue Laborer Trapped In Ditch

Trapped in a chest-high sea of sand when the back of a newly-excavated sewer line ditch collapsed about him Monday afternoon, a local laborer suffered no serious injury after an hour of patient waiting for rescue.

While a fireman volunteer team shovelled an escape route, a scene of the rescue for Matthew Salic, 48, was under a carport of a home being constructed at Kate Street and Jorden avenue. A waiting ambulance rushed him to St. Elizabeth Hospital for emergency care and he was admitted for observation.

Salic, who resides at 1310 Eighteenth street, said he was joined in shoveling the trencher's sand from around the victim's body. They were soon aided by fast arriving professional rescuers, firemen and Joseph Holder and George Nennig.

Careful not to injure the embedded Salic, rescuers finally extricated their man after half an hour of hard labor with shovels. Stricker-born, Salic was hurried to the hospital. His condition was reported as satisfactory, and no external injuries were apparent at the time.

Crowd Hinders Rescuers
While the trapped man was being shovelled, a crowd of police repeatedly pleaded with the ever-increasing throng of over 100 persons to keep a safe distance from the open hole.

Authorities argued that the further collapse of the embankment, the free passage of cool air to the half-buried victim, a carport roof, projecting over the open trench line on the north-west side of the house further restricted the flow of air. The unfinished house is owned by Arthur Bertacchi.

Rains, Winds Hit Area Two Nights In Row

4 Inches Of Rain
In Past 2 Days

Rainfall recorded for the area during the past two days totaled exactly four inches, according to the gauge maintained at the Chain of Rocks canal locks by the U. S. Army Corps of Engineers.

The rainfall reading for the downtown Tuesday night and early Wednesday morning, taken at 8 a. m., was 3.3 inches, while today's 8 a. m. reading for the showers earlier this morning, registered .7 inch.

Small Girl Saved From Open Sewer By Neighbor Boy

A neighbor boy rescued Julie Kraus, two-year-old daughter of Mr. and Mrs. Stephen Kraus, 4620 Melrose avenue, from an open sewer Wednesday afternoon after she had fallen into water over her head.

The boy, Dennis Hagopian, 11, son of Mr. and Mrs. Zazarian, 4008 Melrose avenue, reached into the sewer, between 4 and 6 feet deep in the middle of the street in the 4000 block of Melrose avenue, and pulled the little girl, who had submerged twice, within a minute.

The sewer cover had been removed by street department workers to allow water standing in a ditch to recede and was marked off by wooden blocks. The little girl had gone the half-block from her home to the sewer with her older brother to join other children playing in the water. She was playing when the water carried her in to it.

She received no visible injury but was later taken to a doctor for examination.

Man Shoots At Bird, Wounds Self Instead

A pot-shot at a bird Tuesday morning missed the mark. Howard Teller, 49, Box 915, Rural Route One, who resides near Mitchell, shot himself through the right wrist instead with a .22 rifle.

Teller was admitted to St. Elizabeth Hospital at 8:30 a. m. Tuesday. He had just returned from work on a night shift when the accident happened. The bird flew as he aimed, and when Teller dropped the rifle on the porch, it discharged.

X-rays were taken and Teller was hospitalized. His condition was described as fair. He is employed as a burner at General Steel Castings Corp.

Registration Opens Tonight For Park Pool Swim Classes

The Granite City park district will begin receiving completed registration for beginning free swimming classes for boys and girls eight years of age and older at the park pool office tonight.

The blanks appear elsewhere in today's issue of the Press-Record. The classes are being offered Monday through Saturday at the pool, with registration limited to the first 200 boys and first 200 girls who turn in their blanks.

The first class, for boys, will be held next Wednesday, July 6, beginning at 9:45 a. m. and continuing until noon. The first girls' class will be held the next day at the same hour. The opening

Streets Flooded In 3-Inch Rainstorm; Trees, Wires Down

Heavy downpours and strong winds hit the Quad-City area Tuesday night and again last night causing extensive damage to utility wires and trees, and flooding streets in scattered sections of the entire community.

Street departments were getting the local municipalities clear of water and debris yesterday, only to renew the work this morning following a windstorm with velocity recorded over 50 miles an hour and gusts of 60 mph. Severe electrical storms also occurred both nights.

The 3.3 inch rainstorm Tuesday night and early Wednesday flooded streets throughout Granite City and in several sections of Madison, and it was late Wednesday afternoon when the water had receded in several areas of Granite City. Wilson Park and a number of unpaved streets remained inundated today, with 7-inch rain added this morning.

Because of Tuesday night's heavy rain and in several flooding, motorists and pedestrians were stranded in several sections of Granite City. This morning's rain resulted in a deluge of calls for tree limb removal and wire repair crews in Granite City and Madison. However, damage was reported to be of a minor nature. A small aluminum awning was blown off a business establishment on Nidringhaus avenue, and a plate glass window in a service station at Nameoki and Johnson roads was blown in. The window had been cracked previously, it was learned.

No damage reports were received this morning by Venice city departments.

Lightning Hits Tuesday

Lightning struck in at least two locations here Tuesday night's storm. A bolt hit wiring at the Granite City post office, resulting in a call to firemen at 11:15 p. m. Tuesday. Although the lightning was an odor of smoke, no flames were listed.

A power line switch near the Granite City Engineer Depot is believed to have been struck by lightning, causing a blaze which was immediately contained. There was a resulting power loss at the depot from 10:30 p. m. to 5 a. m. Wednesday.

Many electrical failures were experienced by home owners throughout the area, although major difficulties were encountered. The power outage in scattered locations were attributed to lightning, high winds and falling tree limbs. Illinois Power Co. repair crews worked through the night to restore service to blacked-out homes. The area around the Venice city hall was without lights Tuesday night.

An estimated 300 homes and businesses, including some Madison, were without power.

such factors as the 1960-61 and 1961-62 pay increases granted teachers who picked the schools on the last day of the term June 10. Economy again was emphasized at Tuesday's board meeting, in line with renewed efforts to reduce borrowing.

While intended for the educational fund, the final \$100,000 tax warrant is to be used to re-fund money in the new construction fund temporarily borrowed to meet payroll and bills this month.

Study Prices, Insurance
Board Member George Eubank asked the administrative staff to determine whether institutional suppliers are quoting wholesale or retail prices to the district, and President Homer Huber called for a joint review of the insurance program by the board and the Granite City Insurance exchange. Huber praised the work of the insurance organization in dividing the school business among local firms, and said the proposed study may show ways of effecting additional economies.

Necessity of continuing various school bus routes is to be explored after a contract on mileage costs is awarded. Specifications have been drawn up for bidding, and will include a provision for deletion or addition of routes. Dr. Kaiser said, School Engineer Marvin Dean was asked to study present procedures for replacement of broken school windows.

Roof leaks at the high school hand and music rooms were discussed with the administration instructed to study whether re-roofing may be cheaper than continued small repairs.

Administrators Raised 7%
Noting teacher salary increases of 6% to 6.5% in the top brackets of experience for 1960-61, the board voted 7% increases for high school and junior high principals and the administrative staff. Exceptions were the administrative assistants for personnel and business, who received an additional \$22 monthly and 7%, and the assistant superintendent, who received no increase, having reached the maximum pay level for administrators other than the superintendent.

Elementary principals, whose pay is based on the teachers' schedule plus responsibility increments, were given the teachers' increase and had their responsibility pay boosted by \$22 a month (those receiving \$88 raised to \$110 and those paid \$111 raised to \$133).

Dr. Kaiser called attention to increased responsibility placed on principals as the chief educational administrators at their buildings.

370 Traffic Fatalities Predicted For Holiday

A prediction that 370 traffic fatalities will occur over the July 4th holiday weekend was made this week by the National Safety Council. The number is slightly over the 367 killed over the similar Memorial Day holiday weekend.

Throughout the state, "Traffic Condition Yellow" is being observed in the first phase of the emergency program to reduce the holiday death toll.

The yellow alert is to continue through 6 p.m. Friday, when "Traffic Condition Red" will be in effect. All city, county and state law enforcement agencies will begin full-strength operations. Condition red will continue through midnight Monday, July 4.

PRESS-RECORD SPORTS

Green Hall Homers Pave Way To 11-2 Victory; Graniteers Score 3-2 Win

Bill Page gave up three hits in the first inning, and then stopped Moose Club 272 cold the rest of the way Tuesday night at Wilson Park as Green Hall A.C. annihilated the long ball to defeat the Moose 11-2 in a Class "B" league softball game.

In the first game of the evening, the Graniteers were outlined by Na-Hook Cut Rate League 7-3, but cashed in on two key walks to come away with a 3-2 victory.

After the Moose had taken a 1-0 lead in the first inning of the second game, Green Hall tied it with one in the second and went ahead to stay with a four-run third inning explosion, highlighted by Paul Schuler's two-run homer.

Moose scored its second run without benefit of a hit in the top of the fifth, but the A.C. came back with six more in the bottom of the same frame, three of them coming on catcher Clayton Harrison's round-tripper with two teammates on base.

Cotton Singler started for the Moose and was the loser. He was relieved in the fifth by Darrell Pirie. Jerry Howell worked behind the plate.

In the first game, the Graniteers and Na-Hook-Hood each scored once in both the first and second innings and the score remained tied at 2-2 until the top of the seventh.

Graniteer Catcher Ronnie Smoltz drew a pass with one out, and scored when Keith Mathenia singled and the Na-Hook-Hood outfield played the ball into a two-base error.

The losers had something going in the bottom of the seventh, but Jake Hinterer ended the game.

Ball Strikes Elbow, Little Leaguer X-Rayed

Little-Leaguer Billy Grabbe, 12, son of Mr. and Mrs. William Grabbe of 1809 Pontoon road, was among seven emergency cases treated at St. Elizabeth hospital on Wednesday when he was hit on the left elbow with a ball. He was released after x-rays were taken.

A storm door glass falling on the left arm of Darlene Massey, 7, daughter of Mr. and Mrs. D. Massey, 2008 Fourteenth street, last night required surgery to close the wound. She was released.

Larry Pace, 8, son of Mr. and Mrs. Albert Pace of 4836 Warnock avenue, cut the bottom of his left foot yesterday while wading. He was released after five sutures and a bandage were applied.

Sent to Barnes Hospital, St. Louis, for observation after he stuck himself in the left eye with wire in a clothesline yesterday was Robert Dean Garland, 8, of 2325 Terminal avenue.

A metal splint was applied to the leg of Darlene Snyder, 2 1/2-year-old daughter of Mr. and Mrs. Gerald Snyder, 2617 Cayuga avenue, yesterday after she caught her left leg and foot in a bicycle wheel. She was released after x-rays were taken.

Four Boys' Baseball All-Star Games To Be Played Sunday At Wilson Park

The second annual series of all-star games between members of the four age divisions in the Granite City park district baseball leagues will be played Sunday afternoon on four diamonds at Wilson Park, the all-star selection committee chairman Dave Morgan, said today.

Top players in the Atom, Bantam, Midget and Juvenile divisions, as selected by team managers, will meet in the 1:30 p.m. contests, being staged in mid-season as a part of the park district's July 4th weekend celebration.

On diamond No. 3, the Dirty Dean league stars will meet the Salty Parker league choices in the Atom all-star contest. The Bantam division all-star game will match players from the Ty Cobb and Johnny Mize leagues against a squad of players from the Owen Friend and Rogers Hornsby leagues on No. 4.

Opposing teams on No. 2 will be from the Larry Schoeber, Jim Bottomley, Smoky Padgett and Jess Haines leagues in the Midget division. The Juvenile all-star game on diamond No. 5 will pitting Babe Ruth league Dr. Coleman league players.

Each all-star player will receive a game patch from the park district in recognition of his participation in the contests. The all-star rosters, by division, follows:

Juvenile Stars

Juvenile, Babe Ruth league: Benny Smith, Jerry Denton, Jim Bob Scharf, Eddie Canada, Emmert Dannenberg, Joe Baker, Gary Willard, Bob LeGrande, Barry Sykes, Buddy Jones, Danny Hannah, Keith Seitzer, Jim Chomko, Larry Miskell, Vance Lockridge, Jack Mefford, Max Moss, Earl Wheatley, James Castile and John Leonard. Takmajian's No-Hit Effort Boosts Mathews To Sixth Straight Jr. Legion Win

It is fairly safe to say today that East Alton's Junior American Legion baseball squad is quite happy to have completed its three-game set with Post 113 Mathews Chevrolet of Granite City.

Post 113 scored its sixth straight victory and second win over East Alton Tuesday evening on the latter team's home diamond in Wood River, and if the hosts had to single out any one reason for feeling relief over not having to face the gray-suited Mathews crew again this year, it would be a righthanded pitcher by the name of Grant Takmajian.

Takmajian, getting only his second start this summer, fired a 4-0 no-hit shutout at East Alton. It came right on the heels of a 6-0 win by "Tak" just one week ago against East Alton at Wilson Park, and ran Mathews unbeaten sixth to six games.

Mathews' first two runs came in the third off lower Jim Blackledge, who beat Post 113 here 1-0 in the season's opening game. Both were unearned as the result of errors.

In the fifth, the Granite City squad put together four of its seven hits for two runs which were earned. Leadoff Batter Dave Sparks got things rolling with a double, and successive singles by Tony Maena, Larry Corbin and Pat Schuman got two insurance runs across the slab.

"Takmajian told me he was tired in the fourth inning," Manager Joe Summers said. "He actually wanted to come out, but I told him he had a no-hitter going and to get back in there and finish it himself, one way or the other."

The hurler "seemed to get his second wind," Summers added, and kept East Alton batters confused with his jerky motion. He threw only fast balls and a "little curve which was breaking just enough." Summers praised Catcher Schuman, who "caught a beautiful game," he said.

Play Continues

The win, which moved Post 113 two full games ahead of other teams in the northern half of the league, set the stage for

This afternoon's contest with the leader from down south, East St. Louis.

The City Councilmen, rolling along with an 8-1 record, are scheduled to play Post 113 at Wilson Park at 6 o'clock this evening. If the diamond, thoroughly soaked by recent heavy rains, cannot be put into shape by game time, the teams will try to get the game in on a neutral diamond, possibly Lee Park in Venice, Summers said.

Left-hander Joe Holder, undefeated since he lost that 3-0 opener to East Alton, will be on the hill for Mathews. "The boys are confident now," Summers said. "They wanted to schedule a practice yesterday, but we couldn't find a dry diamond."

Mathews will travel to the Capoka high school field Saturday for its first game of the summer with Centerville, at 2:30 p.m.

JUNE NIGHT EXHIBITION is displayed by Warren Simpkins (right foreground) as he directs mixed chorus in first "Music Under the Stars" concert of the summer at Wilson Park Tuesday evening. A crowd estimated at 450 persons attended the outdoor performance, which featured nine vocal and instrumental soloists and the music of Sigmund Romberg.

'Music Under the Stars' Rated 'Tops' By Audience Of 450

An audience of 400 to 450 persons from babies in arms to oldsters in wheel chairs attended the first "Music Under the Stars" concert presented Tuesday evening at Wilson Park by the Granite City park district.

The concert, featuring a 50-voice chorus under the direction of Warren Simpkins, and highlighted by solo performances by vocalists and instrumentalists, was roundly applauded by youngsters and adults.

The program started at 7:30 p.m. and continued to about 9 o'clock, with the artists assembled on a stage erected in a setting of white birch trees near the 27th street entrance to the park. While lightning began to brighten the scene, no one departed and the performance was completed before a drop of rain fell.

The only interruption was caused by a low-flying airplane and Master of Ceremonies Al Stevens Jr. commented the pilot probably heard the music and flew extra low for better listening.

Offerings by nine vocal and instrumental soloists were woven into 11 numbers presented by the chorus, including mixed voice arrangements of some of the more familiar excerpts from Sigmund Romberg operettas.

The soloists blanketed the space between classical music and perhaps more familiar songs from recent musicals and Broadway shows.

Flutist Robert Tuckriegel presented Bach's Sonata No. 2 for flute, and experienced some difficulty with an evening breeze during the adagio passage. The play (u) wind also flipped the pages of the accompanist's copy during soprano Carole McDonald's rendition of "April Showers," but Miss McDonald's performance was interrupted only momentarily.

The tempo of the program changed quickly with the soloist. Tenor Paul Berry presented two of Richard Strauss' "Lieds," "Breit Uber Mein Haupt" and "Die Nacht der Heide."

\$893, Clothing Given In Drive To Aid Chile

The special Red Cross fund drive to aid earthquake victims in Chile has netted \$893 in the Quad-Cities as well as a large amount of clothing, including new clothing donated by local stores. Mrs. Ruby Overbeck, Red Cross executive secretary, reported today.

The drive is continuing, she reported. Any additional clothes that are contributed should be clean and usable, she added.

Drivers Start, Stop; Minor Crash Results

A truck driven by William Habelkost of 1419 Twenty-first street was involved in a minor accident Tuesday evening on Madison avenue at 23rd street when it hit the left rear fender and tail light of an auto driven by Frank W. Koetter, 56, of 2322 State street.

Both vehicles were stopped at a traffic light when the accident occurred. Koetter started forward when the light changed, then stopped when the car in front stopped. Habelkost failed to stop in time to avoid hitting Koetter's auto, the police report said.

Parents Of Daughter

Mr. and Mrs. James A. Keeton, 2708 West 20th street, are announcing the birth of a daughter Wednesday at St. Mary's Hospital in East St. Louis. The baby, whose weight was eight pounds, one ounce, has been named Ruth Ann. She has a sister, Luena Angelina, two years old.

Speeding Tickets

Gary L. Rainwater, 27, of 2401 Willow avenue, was one of two men issued arrest tickets Tuesday afternoon by Granite City police on charges of speeding. The other was Ronald W. Spengler, 21, of 3056 Terrace lane. Both men posted their driver's licenses as bond.

Cancer Project Topic Of Golden Age Circle

Mayor and Mrs. Leonard Davis were guest speakers at Tuesday's luncheon meeting of the Kirkpatrick Homes Golden Age Circle.

In her short talk to the Circle's 49 members and guests attending the meeting, Mrs. Davis explained procedures in making cancer dressings. She stressed the current shortage of such soft-material dressings, saying that donations of sheets, pillow cases and like material will be welcomed. She added that volunteers may contact her at home.

Members of the Golden Age Circle agreed to pick up all donated dressing materials, and they will make them into dressings and bandages. The mayor discussed future plans for the community.

Other guests attending the pot luck luncheon included David Morgan, executive director of the Granite City Housing Authority, and Henry Gabriel, architect. The next meeting will be at 2 p.m. July 12.

Seek Gasoline Taxes As Part Of Whiteway Moving Costs

In near-90-degree sweltering heat, Madison Mayor Stephen Maera ran the gamut from whiteway street lights to personal property taxes to a disputed census count during Tuesday evening's city council meeting.

Taking up the collection of city taxes for 1960, the mayor said the overall rate, \$3,614 per \$100 valuation, represents an increase of 7.7% over last year's rate.

He pointed out, however, that over a ten-year period, 1950 to 1960, the increase was 34%, "not out of line with the rapid growth in Madison and the expanded facilities offered."

The mayor and council passed unanimously a resolution offered by Alderman John Bridick stating that a letter should be sent immediately to the Illinois Division of Highways, Springfield, urgently requesting reimbursement of motor fuel taxes to aid in moving whiteway lights when sidewalks are narrowed.

Elaborating, Mayor Maera quickly agreed that prompt payments are necessary in order that plans for the widening and resurfacing of Madison avenue can be expedited.

Power Firm To Share Cost
In previous contact with the Illinois Power Co. concerning the relocation of whiteway lights, necessary prior to widening the avenue to a four-lane traffic thoroughfare with two parking lanes and a median divider, the mayor said that under a two-year-old contract the cost of moving the lights was to be borne solely by Madison.

However, after conferring with power company officials, the mayor said that the company will pay half the total estimated cost of \$15,000 to set back the metal light poles.

"This is the reason," the mayor added, "we are pressed for immediate reimbursement of motor fuel taxes." It is hoped to have the widening started this summer.

Urging Watering Of New Trees
Of prime concern to the mayor and council was the apparent unhealthy growth condition of some of the approximately 900 trees purchased by the city and planted throughout the community last year.

The tap-rooted sweet gum trees, costing between \$500 and \$600 were replacements for shallow-rooted varieties which were raising havoc with sidewalks. Insurance authorities advised officials that the older trees were a financial hazard to

the city and should be removed. Approximately 180 of the sweet gum trees have apparently perished from causes as yet undetermined by state agricultural specialists," the mayor said. He contended that the company furnishing the trees will make good the year-free replacement guarantee, but in the meantime the mayor said it is an excellent idea for home-owners, when watering their lawns, to give a little attention to the trees planted in front.

This little care now, so important in the transplanted trees' first year of growth, will yield big dividends of shade and beauty later," the mayor said.

Concern Over Census
Later in the hour-long meeting, the mayor and council expressed general dissatisfaction and concern with the results of the 1960 census count, which showed a loss of population.

Mayor Maera said that compensation is still being given to a city-financed census tabulation. He pointed out, however, that it could be shown that a 5% discrepancy exists between the federal count and the actual population. The Bureau of Census would re-survey at no cost to the taxpayers.

City Clerk Percy Lux added that free census forms are available in his office in the city hall for those persons who have not been counted.

"It would be to their advantage to be counted now," the city clerk said, indicating the added prestige of growth to the community and greater municipal revenue, such as motor fuel taxes.

In other business, council members voted unanimously to authorize payment of bills totaling \$10,196.

Mayor and council also concurred with written notice from the building inspector condemning two buildings.

A two-story frame residential commercial structure at 1347-1349 Madison avenue was ordered removed or repaired prior to July 20. A one-story frame dwelling at 1439 Seventh square was to be removed or improved by July 21.

Faces Conduct Charge
A warrant charging disorderly conduct was served yesterday afternoon on Charles Mosby, 27, of 2623 Iowa street, who was freed on \$100 property bond to appear for a hearing July 16 before Police Magistrate Casparovic.

Granite City police said the warrant was filed by Mrs. Marge Semmer.

NEW MADISON LIBRARIAN, Mrs. Catherine Cox, began her duties at the library this week. She was photographed while familiarizing herself with the books listed in the library's card index file. Before assuming her new job, she was librarian of Triad high school near Troy.

Sacred Heart Drive Returns 'Encouraging'

About 150 members of a campaign organization to raise \$200,000 for a new Sacred Heart school subscribed some \$35,000 themselves at a banquet in the church basement, Co-Chairman Anthony Michel said today, and additional receipts are arriving this week.

Although the total goal has not yet been reached—37% of subscription cards have not yet been returned—Michel said he was confident the drive will be a success and construction of the school can start on schedule.

No tabulations have been made on the 63% of the cards returned, but "within two or three days" the outcome should be known, the co-chairman said.

The new school planned for opening in September 1961 is to relieve overcrowding in the present building. It will be constructed on a site adjoining the present school.

Heading the campaign organization are Rev. Michael Costello, pastor, honorary chairman; Michel and Robert Wimmer, co-chairmen; Rev. John Barrett, spiritual director; Dr. Otto Bauer, Dr. Leo Grzesek, Dr. Joseph Koch, Joseph Kukarola and Walter Reese, advisory chairman.

Father And Son Fined
On Similar Charges

A father and son, arrested last night by Granite City police on charges of being under the influence of alcohol and fighting, were fined \$10 and costs each appeared before Police Magistrate Casparovic and pleaded guilty.

They were Albert Lilley, 43, of 2229 (rear) Iowa street, and Donald Lilley of the 2200 block of Monroe street.

Trooper Angeloff Promoted To Corporal

State Trooper Cleo Angeloff, 1749 Poplar street, has been promoted to corporal in the state police Bureau of Special Investigation. It was announced yesterday by Lt. Emil Toffant of Madison, commander of the special division which functions as a detective bureau for the state police force.

Lt. Toffant said Cpl. Angeloff has been assigned to the bureau for the past 18 months and has been working out of the Springfield field office on special assignments.

GC Tax Payments Near Million Total

As \$200,596 in taxes was paid Monday, Tuesday and Wednesday by Granite City property owners, the total collected for 1959 taxes is now \$814,009. Township Tax Collector Frank Sappington said this morning.

Aug. 1 is the last date taxes will be collected locally at the second floor in the city hall from 8 a.m. to 5 p.m. Monday through Friday and 8 a.m. until noon on Saturdays.

City Groups To Name New Committeemen

Selections of committeemen for the four new precincts created earlier this month for Granite City by the county board of supervisors are to be made next week. It was learned from Robert Gibson, chairman of the Democratic City Committee, and C. Luther Rudder, chairman of the Republican City Committee.

The new precincts increase to 28 the number for the city-township. No. 25 is located in West Granite, No. 26 is in the Wilson Park area immediately east of the park, No. 27 is in the American Gardens area and No. 28 is in the Glenview subdivision area.

Chairman Gibson said the present committeemen of divided precincts will submit recommendations for appointments to the city committee, and the committee's selections will be forwarded to the party's county executive board for approval.

GOP City Chairman Rudder said the party's local executive committee will make its selections sometime next week and submit the recommendations to the entire city committee during a meeting set for July 11.

Autos Collide, One Hits Tree—No Injuries

Both vehicles received minor damage when autos driven by James Corbitt, 26, of 2964 Madison avenue, and Glenn Hornberger, 36, of 2916 Warren avenue, collided Tuesday afternoon at the intersection of Marshall and Leonard avenues.

According to Granite City police, Hornberger's auto was heading east on Leonard avenue and Corbitt's was traveling north on Marshall avenue. Corbitt's auto wrenched on to crash into a tree.

False Alarm Fire

A telephone pole along Old Alton road was reported on fire at 8 a.m. today, but when answering the call, Nameoki road station firemen found that it was apparently a false alarm. The person who reported the fire had not identified himself.

Home From Hospital

Calvin Penrod, 2923 Cayuga street, returned home yesterday from Barnes Hospital where he submitted to open heart surgery June 14, and was a patient 17 days. His condition is reported satisfactory.

VENICE LIONS MAKE SUMMER, FALL PLANS

John Pier, president of the Venice Lions club, was in charge of the regular business meeting following a dinner served to 27 members Monday evening at the Venice-Madison American Legion Home. A guest for the evening was C. J. O'Day.

A donation was made to the Venice homecoming group, and Pier presented the club with a membership board which will be kept at the Legion home. Kits for the Calendar program have been ordered and will be distributed in August.

Plans were made to paint a Venice residence in September with Alfred Pace in charge of arrangements. A barbecue will be held Aug. 22 at Lee Park for Venice club members and their families, with Clifford Canner as chairman.

Charles Simons will be chairman for the "Ladies night," which will be held in October. A discussion was held on the Venice Day boat excursion planned for July 31, with a report on ticket sales to be given at the July 11 meeting.

Pier stressed importance of the club members helping to make the annual Venice homecoming success. Plans are being made for a home talent show. Club members will participate as "can-can" dancers. Marion Gresham and Thomas Foley are co-chairman for the homecoming festival.

Manhole Damages Car—Seeks \$103 From City

A broken manhole cover at 25th street and Madison avenue flipped and caused \$103 damage to the 1950 auto of Joseph Chepely, 2507 Iowa street, according to a bill submitted to the city council Monday night by Chepely, a service manager at a legal garage.

The repair bill, which listed damage to the underside of the new auto, was referred to City Atty. William Beatty. In a note which accompanied the bill, Chepely said the cover flipped as he drove over it about 11 p.m. last Thursday night. Police were notified and a barricade was set up.

Council members at first authorized payment of the bill, but when Walter Norn pointed out the \$10 bill submitted last week by Henry L. Meyers, 2824 Emme street, for a new tire and tube had been "placed on file" without action, the matter was reconsidered and referred to the attorney.

At Norn's insistence, the \$16

Restaurant Just Opened Has New-Style Chicken

A newly-opened restaurant and catering service, Colonel's Carry-Out, 2009 Madison avenue features southern-style chicken fried in a different manner, the manager, Stuart Swartz, reported today.

Part of a nationwide chain of 300 public eating houses, the restaurant is able to provide chicken in both single and large carry-out orders. "Barrels" of chickens are available for outings or parties.

The frying method, which Swartz calls unique in this area, involves a three-step process using 11 different spices and local, unfrozen chickens.

bill also was referred to the attorney. Meyer had written to the council, saying he had advised "the whole force from the mayor to aldermen" of broken bottles in the middle of Emme street, and that the glass remained there several days, causing damage to a new tire and tube on his automobile.

Motorist Charged With Leaving Scene Of Crash

A charge of leaving the scene of an accident was placed against Graham McGovern, 66, of 2316 Missouri avenue. The charge was filed after a report was received of an accident in the 2100 block of Edison avenue Monday night or early Tuesday morning. McGovern was taken into custody Tuesday.

Police said a car belonging to Truman Hubler, 2137 Edison avenue, was damaged while parked in front of his home and that data on the accident was supplied by an anonymous tipster. The initial report on the accident was received at 10 a.m. on Tuesday and was freed after posting his driver's license as bond.

Street Maintenance Material Bids Accepted By City

Bids totaling \$28,195 were accepted Monday night by Granite City council members for materials to be used in the city's summer maintenance program for both arterial and non-arterial streets.

A starting date for the work was not announced, since the bids are subject to confirmation by the state highway department. The information was forwarded to the state Tuesday morning. It was learned from Comptroller John Doohar.

Most of the materials are to be purchased from Midwest Blacktop Roads, Inc., East St. Louis, sole bidder on road oil, liquid asphalt and chat. The firm's bid for supplying and applying the materials was 14 cents a gallon for road oil, 17 cents a gallon for liquid asphalt

and \$5.26 a ton for three-eighth inch aggregate. The city under its arterial street maintenance program is buying 11,000 gallons of road oil to cost \$1940; 48,800 gallons of liquid asphalt to cost \$8296 and 2000 tons of chat, to cost \$10,520 for a total of \$20,356 for arterial materials.

For non-arterial streets, the purchase is to include 21,000 gallons of liquid asphalt to cost \$3370 and 690 tons of chat to cost \$3629, for a total of \$7799. Other materials being purchased include 18,000 pounds of packaged asphalt for patching and 120 feet of 12-inch metal culvert.

The patching asphalt is to be purchased from Witco Chemical Co. of Chicago at a cost of \$244 each a gallon, \$439. Another bid of \$43.50 a ton was submitted by

Standard Oil Co. of St. Louis, but Alderman Samuel Whitmer, chairman of the Street and Alley committee, said the state highway department had recommended the bid be rejected because the bid request specified a unit cost per pound.

Alderman Walter Nann, who is employed at a Wood River refinery, told the council to accept the bids as quickly as possible since a strike of refinery workers is anticipated. "It might be a lengthy strike, too," Nann commented.

Four bids were received for the 120 feet of 12-inch metal culvert. Low bidder was Wheeling Corrugating Co., St. Louis, with a figure of \$1,671 a foot or total of \$200. Other bidders and the amounts — Armo Drainage & Metal Products Co., Springfield,

\$1,971 a foot, \$236 total; Capitol Supply Co., Springfield, \$1,713 a foot, \$205 total; and Missouri Boiler Co., St. Louis, \$1,751 a foot, \$210 total.

Consent was given on the purchases of street materials. Supt. of Streets William Warfield told the council the specifications call for 130 tons less rock, but 3400 gallons more of liquid asphalt. "I don't know how we can do the job properly, if we're short of rock. There's only a certain way the rock can be applied to do it right," he told the council.

Several council members said the city would order more materials should there be a short age.

In addition to the \$28,195 materials costs, the city also will spend additional motor fuel tax funds for equipment rental and labor.

CONCLUDE STUDY

Lloyd Spencer Primary Sunbeams met Tuesday afternoon at Second Baptist Church to view a display of pictures and objects from Mexico. Mrs. Betty Lewis told of a Sunbeam meeting in Mexico. Singing was held, and prayer was given by Mrs. Lewis. Dancy Ferrell and Nancy Newberry. The younger group modeled objects in clay, and eight-year-olds painted.

The program concluded a three-month study which has included Alaska, Hawaii, Japan, Nigeria, Spain and others. Present were Bruce Freeman, Richard Welty, Kathy Farley,

Diane Olive, Betty Bihrey, Donna Mills and visitors, Mike Bellman and Gary Lewis.

OFFICERS ELECTED

The young people's class of the Word of Life Tabernacle, 20th street and Missouri avenue, met in the Knoll home Monday evening. Officers elected were Genevieve Brown, president; Vernetta Longbottom, vice-president; and Maxine Sullivan, secretary-treasurer. Bible reading was held.

Officers also were chosen for the Ladies' Missionary Council. Those named were Ava Arnold, president; Mrs. Birdsong, vice-president; and Mrs. Brimer, secretary-treasurer. Next meetings of the groups will be held July 25 and 27.

Local Men Rescue Woman, 2 Children From Canal

A drowning woman and her small children were rescued from the Hartford canal near the spillway by two local men, Mac Warfield, 2908 Faith avenue, and his brother-in-law, Donald Schultz, 2336 Warren avenue, on Sunday afternoon. It was revealed this week.

The two men had just driven up to the canal with their families when they saw the woman and children walk off the spillway into deep water, apparently unaware that the water was over their heads. The three immediately began shouting for help and Warfield and Schultz jumped into the water and pulled them to safety.

No one was injured, and the woman and her children left for their home unassisted. In the excitement, the local men did not get the woman's name.

MISS DASHO HONORED AT BRIDAL SHOWER

A bridal shower was given Sunday evening, honoring Miss Christine Dusho, daughter of Rev. and Mrs. Stanley Dusho, 1312 Iowa street. It was given at the hall of St. Mary's Greek Catholic Church by the Ladies' Sodality of the church.

Hostesses for the event were Mrs. Julia Marczak, Mrs. Julia Nishke, and Mrs. Nellie Hryskov. The hall was decorated with yellow and white. White wedding bells added to the theme, and bouquets of yellow and white flowers adorned the tables.

The gift table held many packages for the honoree, who opened them with the assistance of two of the bridesmaids of her wedding party July 7. Miss Dusho will become the bride of Crest Hannas of Baltimore, Md.

A buffet luncheon was served to Mrs. Lois Feldmiller of Maplewood, Mo., Mrs. Maria Chraplywy, Mrs. Helen Klym, Mrs. Christine Szysek, Mrs. Mary Elizabeth Benyo, all of St. Louis, Mrs. Maria Kwasyan of East St. Louis, Dr. Mark Jaroszewicz and Mrs. Jaroszewicz of Alton and Quad-City residents, Mrs. Ann Ramach, Mrs. Eva Sayk, Mrs. Anna Gresko, Mrs. Eva Lukanik, Mrs. Anna Kozlovski, Mrs. Ann Gavilsky, Mrs. Mary Kello, Mrs. Dorothy Kello, Mrs. Amelia Kello, Mrs. Helen Billick, Mary Billick and Anna Senecyn. Baskets filled with assorted candies were used as favors at each place setting.

LEAVING ON TRIP
Mr. and Mrs. Glen Sprankle Jr., 204 Sixth street, will leave Saturday for a two-week vacation in California. They will visit in Los Angeles with Mrs. and Mr. J. R. Sprankle and family and Mr. and Mrs. Harvey Crowder and other relatives.

MAJOR SURGERY
Mrs. Martha Hazner, 1674 Fourth street, is recovering at Barnes hospital, St. Louis from major surgery to which she submitted yesterday morning. She expects to be in the hospital several weeks.

RETURNS FROM TOUR

Mrs. Opal Fogle returned to her home, 1659 Third street, Sunday after spending one week on a St. Louis Lutheran newspaper tour, traveling by train, bus and boat. Stops were made at Washington, D. C., Virginia, Philadelphia and New York City.

While in New York, Mrs. Fogle visited at the home of Mr. and Mrs. Newburn Reisinger and son, Michael, former residents of Madison. A boat trip was taken on the Chesapeake Bay during the tour.

MADISON TENT MEMBER NEW STATE PRESIDENT

Mrs. DeLilah Gertz, member of Anna Tate Davis Tent 101, Daughters of Union Veterans, Madison, was elected department at the 66th annual encampment held in Peoria, June 25-27.

Mrs. Gertz and Mrs. Rose Lee Surratt attended the convention as delegates. Mrs. Surratt served as department assistant guard and has been appointed chief of staff for the ensuing year. She participated in memorial services, placing flowers in memory of the district's last president, who passed away in April.

Mrs. Gertz, now employed as a designer for the Elgin Co., Elgin, Ill., donated compact of her own design as prizes for the fellowship luncheon and the luncheon held by the Granddaughters.

Highlight of the convention was a family dinner, where five allied orders gathered to honor the memory of the Grand Army of the Republic. Folk songs of Stephen Foster were enjoyed, followed by a talk by Harlington Wood Jr., United States attorney.

On Sunday afternoon, Mrs. Gertz was installed as president in a ceremony conducted by the national president, Miss Bertha Robbins of Indiana. Gifts and best wishes were bestowed upon her by members from Elgin as well as her own tent.

The Tadpole Squares have been practicing each Monday evening in preparation for the dance exhibits the group gives for various occasions. They will present a two-hour program of exhibition square dances, round dances and novelty dances and a bathing beauty contest at the Madison Fourth of July celebration.

The program will be presented at Third street adjacent to the fireworks display on the evening of July 4th at 7:30. During the program, pre-teen children aged eight through 13 who are interested in free square dance lessons beginning in September will be permitted to enter their names on the waiting list of the Tadpole Squares.

A group of approximately 75 boys and girls will take part in the holiday celebration. The group also will entertain on the Admiral boat excursion July 22.

Local Girls To Answer Radio Bible Questions

Two Granite City girls, students at the Concordia Lutheran Sunday School, will vie with out-of-state competitors this Saturday and Sunday on radio Bible quiz programs, Superintendent H. A. Amelung has announced.

Mickey Santagato, 10, daughter of Mr. and Mrs. Peter Santagato, 2217 Monroe street, and Miss Linda Willis, 11, daughter of Mr. and Mrs. Larlin Willis, 1711a Edison, are the local contestants who will appear on the 9:30 a.m. "Bible Story and Quiz Program" over station KFUP on this Saturday. They will compete with two Sunday school pupils from the St. Louis area.

The following morning, Sunday, the young girls will be heard on a 7:30 recorded program, "Sunday School of the Air."

BIRTHDAY OBSERVANCE

Birthdays of Mrs. Virginia Gail, Mrs. Leo Salmon and Mrs. Verna Willman were observed during a meeting of Delray Rebekah Lodge 786 Tuesday evening at the Odd Fellows hall in Madison.

The birthdays were for the months of April, May and June. Several members with birthdays during the three-month period were unable to attend.

Mrs. Lucille Veach was in charge of the table decorations and a luncheon served for the occasion. Mrs. Ruby Wood, noble grand, presided over a short business meeting. Twenty members and a guest, Mrs. Thelma Hansen of Venice, were present.

Mr. and Mrs. Joseph Varady, 2000 Fourth street, are announcing the birth of a son born June 21 at St. Elizabeth Hospital. They have chosen the name of David Alan for the eight-pound arrival. He has three brothers, Tom, Tim and Bob, and two sisters, Diane and Joanne. The mother is the former Miss Rose Topal, daughter of Mrs. Theresa Topal of Madison. The infant was listed incorrectly as a girl in the previous birth announcement.

NAMEOKI LITTLE LEAGUE MEETS

The Nameoki Little League met Monday evening in the recreation room of the Nameoki Presbyterian Church. Ron Hoyer, president, was not in attendance due to illness in his family, and Mrs. Betty McIntrop, secretary, called the meeting to order and led a general discussion.

The organization will have a snow-cone concession stand at Wilson Park for the four-day July 4th celebration, and Benny Pickler is chairman of the committee, with Claude Schwendeman and Frank Farrow and John Adams assisting him.

A decision was made to have a league standings board made and attached to the door of the concession stand at the major league field, located at the corner of Amos avenue and Johnson road. Marvin Wessell is to post the team standings.

Managers and coaches are to hold a meeting with the president in the near future. Mrs. McIntrop called attention to the new bleachers erected by the park district at the major league field.

The next meeting of the league will be held July 25 at the Nameoki Presbyterian Church.

MRS. BREEZE HOSTESS TO SUBURBAN CLUB

Mrs. Shirley Breeze entertained the Suburban Club for its monthly meeting Tuesday evening in her home, 3259 Westchester drive.

Canasta was played in the playroom, with Mrs. Norma Jeanne Ross winning first prize. Mrs. June Nikonovich second and Mrs. Ellen Heinks, third. Candies in unusual candle-dipped bottles and green plants in snifters were used by the hostess for the table decorations. She served a late dessert course to the members. Mrs. Myrtle

Youth Fined On Assault Charge; Other Sentences

Aubrey Ray Russell, 24, formerly of Granite City and now of Greene county, Ill., was fined \$100 and costs Monday by Circuit Judge Harold R. Clark at Edwardsville for an assault charge. The fine is to be paid within 30 days.

Russell was the sixth member of a group of youths charged with the beating of a 53-year-old Madison man last Sept. 2. All pleaded guilty and received identical punishment.

In other cases Monday, Nathaniel George, 38, Venice, received a six-month sentence to the state penitentiary, Vandalia, after he pleaded guilty to charges of larceny and burglary.

Another youth, Ralph E. Clutts, 18, Granite City, was granted a probation hearing after pleading guilty to charges of robbery and armed robbery. The hearing is set for July 7 at 1:30 p.m.

The case of Terry Thweatt, 32, Granite City, charged with bribery of a juror, was continued until a later session of the court.

Services at 2:30 p.m. today, June 30, from MERCER FUNERAL HOME, 1416 Niedringhaus avenue, Granite City, for the Second Baptist Church, 2100 Illinois avenue, Interment Sunset Hill Cemetery.

SCHMIDT, BABY, 2333 Lynch avenue, Granite City, Ill. Entered into rest 9:30 p.m. Monday, June 27, 1960, at St. Elizabeth Hospital.

Dear daughter of Mr. and Mrs. Edward W. Schmidt Jr.; dear sister of Edward III and Richard Schmidt; dear granddaughter of Mr. and Mrs. Richard Iberg.

Services were held from DAVIS FUNERAL HOME, 21st street and Cleveland boulevard, Granite City, at 2:30 p.m. Tuesday, June 28, Rev. Paul Surbey officiating. Interment at St. John's Cemetery.

WESTBROOK, LLOYAL LLOYD, 2901 Wayne avenue, Granite City, entered into rest 12:30 a.m. Wednesday, June 29, 1960, at St. Elizabeth Hospital.

Beloved husband of Mrs. Frances Westbrook; dear father of Miss Carole Mammion, Mrs. Emil Gerkin Jr. and Fred Mammion; dear brother of Mrs. Lella Bordner, Mrs. Ruth Mammion, Mrs. Evelyn Marcus, Truman, Howard and Thomas Westbrook; dear uncle, dear grandfather.

Services from MERCER FUNERAL HOME, 1416 Niedringhaus avenue, 2 p.m. Friday, July 1, Rev. William Nisid officiating. Interment St. John's Cemetery.

quarters. Three dinas and 41 nickles were left in the drawer. 'Lot Of Headaches'

Someone with an apparently insatiable taste for alcoholic beverage took four cases of beer from a loading dock at the east side of the Namsoki Murdock Beer Distributors, Inc. between 10 and 10 p.m. Tuesday. It was reported to Granite City police—then the same night took 17 more from a truck for a total haul of 21 cases.

Anthony Vesce, vice-president and general manager at Murdock, said he thought the theft was by teenagers. Loading operations were underway at the time of the theft, he said. Vesce expressed belief that most of the beer would be resold, if possible, rather than drank.

"Twenty-one cases amount to a lot of headaches," he said. Police received a report last night from a woman residing in the 2200 block of Lincoln avenue that she had found part of a case of beer on the front porch of her home.

Fenderskirts Stolen Fenderskirts were stolen off the 1952 dark green auto of Warren Tines, 2202 Woodlawn avenue, while the car was parked at his home earlier this week, according to a report made yesterday to Granite City police.

Garbage Can Stolen Theft of a new 20-gallon garbage container from his back yard was reported to Granite City police Monday by Lee Scheffer, 1726 Delmar avenue.

Mrs. Jeanette LaVelle Passes Away Wednesday

Mrs. Jeanette Youngkin LaVelle, 72, of 19414 Delmar avenue died after a lingering illness at 11:50 p.m. Wednesday at St. John's Hospital, St. Louis. She had been a patient there 22 days.

Born in Cobden, Ill., Mrs. LaVelle had resided here 30 years. She was a member of the First Baptist Church.

She is survived by a son, Arthur LaVelle, Granite City; a sister, Mrs. Daisy Sullivan, Cobden; a brother, Jack Youngkin, Dallas, Tex.; five grandchildren, one great-grandchild and a niece. Time and place of funeral services are given in today's obituary column.

Average life of the queen bee from three to five years.

WATER OVER THE SIDEWALK along Warren avenue in Community Heights was still in evidence at mid-morning yesterday following a 3.3-inch rainstorm. There was little activity in the block, although a woman residing nearby commented, as she looked over her flooded yard, "It must have rained half dollars," as she stooped over and picked up a coin.

Trial Of Youth Charged With Murder Continues

Jurors selected for the trial of 16-year-old David L. Fisher of Mitchell, charged with murder in the shotgun-pistol slaying of his father in their home on March 21, were hearing the testimony of witnesses this morning as the case continued before Circuit Court Judge Joseph Barc in Edwardsville.

Selected Tuesday afternoon the jury, composed of seven women and five men, was excused from the court later Tuesday.

while defense attorney Austin Lewis and Assistant State's Atty. Burton Bernard presented arguments concerning the legality of a written statement made by the Fisher boy shortly after the fatal shooting.

Six witnesses, all involved in some way with the taking of the boy's statement, were called to the stand Tuesday and Wednesday, and the testimony of others was being heard this morning. The jurors resumed hearing the case yesterday afternoon.

A defense contention that the boy's statement should be made

void since it was obtained while young Fisher was in a state of shock was made by Lewis. Arguing for the prosecution, Bernard stated that the boy had made the statement of his own free will and appeared rational at the time. Bernard, himself, was called upon to testify concerning the statement.

"Nickel" is the name for the five-cent coin. "Nickle," as it is often misspelled, is the name for a species of woodpecker.

Maberry, Other Officers Of GC Rotary Installed

New officers of the Granite City Rotary club were installed at a dinner gathering of 75 Rotarians, wives and guests last night at the Carriage House restaurant, Belleville.

Dean Maberry, sales representative of the Whitehead Insulation and Sales firm, was installed as president, replacing Dr. E. L. Ackerman, local chiropractor.

Dr. A. Ralph Lynn, past district Rotary governor and past president of the Granite City club, installed all 1960-61 officers. Sidney Aubrey served as master-of-ceremonies, and Paul Roth, former Granite City Rotarian, introduced Pat Fontaine, St. Louis television weather announcer, who related anecdotes of her career in radio and television and also told of her personal life, reporting that she is the mother of five children.

Maberry received a pin as president of the club and was presented with the gavel by Dr. Ackerman. The new president spoke on Rotary objectives and emphasized the importance of the "four-way test" and other Rotary ideals.

Dr. Ackerman, who received a past president's pin, recognized members holding perfect attendance records for the past year. He reviewed the club's activities, including its annual horse show, and noted that all proceeds of the show are devoted to community service projects. One of the projects in 1959-60 was presentation of an organ to Granite City high school for use in programs held there and in the instruction of students, he reported.

The retiring president introduced Mrs. Ellen Aubrey, president of the Granite City chapter of Anna, who in turn presented Mrs. Clara Huber, co-leader of the ladies' group.

Officers installed besides Maberry were: Glenn Abenroth, first vice-president; Dr. Ackerman, second vice-president; Ray Ruffer, secretary; Al H. Gehlert, assistant secretary; Albert Froelich, treasurer; Vincent Eischhof, assistant treasurer; Loren Davis, sergeant-at-arms; Al C. Siewers, assistant sergeant-at-arms; and director for three years, Ernest A. Karandjeff, Rev. Verne Barnett and Aubrey.

SOCIETY

Party Honors Sherri Scrum

Mrs. and Mrs. Walter Scrum, 2940 Wayne avenue, entertained guests at a party last night in honor of the second birthday of their daughter, Sherri Lee. Present were Mr. and Mrs. Otis Williams, Miss Tobee Williams, Mr. and Mrs. Don Williams and children, Diana, Monte and Darrell; Mrs. Helen Scrum, Mrs. Ann Scrum and son, Eugene, Vincent Scrum, and children, Marilyn and Diane, George Scrum, Miss Betty Graham, Mr. and Mrs. Joe Scrum and children, Randy and Kerry, and the honoree.

The refreshment table held a large birthday cake and candies and there were favors for each of the children.

WILL ENTERTAIN GUESTS
Mr. and Mrs. Charles Mott, 2875 Iowa street, will have at their guests for several days Mr. and Mrs. Wilbur Hocker and son, James, Mrs. Hilda Mott and Mrs. Florence Hartford, all of South Bend, Ind. The visitors will arrive Saturday and remain until Tuesday.

RETURNS TO FLORIDA
James Vallooff of Lake Worth, Fla., formerly of this city, has returned to his home after visiting his mother, Mrs. Helen Vallooff, 2661 Grand avenue, and brother, George Vallooff, and family at 1540 Lindell blvd.

ENTERTAINING MOTHER
Mr. and Mrs. M. A. Wittevonkel's mother, Mrs. F. T. Kinney of East Moline, Ill. The visitor will return to her home next week.

SELECTING A WINNER from among these candidates for the title "Miss Granite City" of 1961 is the enviable task assigned to four out-of-town judges Saturday during the Junior Chamber of Commerce beauty pageant at the sunken gardens in Wilson Park. From left to right are Miss Diana Taylor, Miss Sheila Graham, Miss Terry Polley, the reigning

Still Set For Saturday

Rain, Sprain Complicate Beauty Pageant Plans

For a time this week it appeared likely that the only activity which would be needed by contestants in the Junior Chamber of Commerce "Miss Granite City" of 1961 contest would be swim suits.

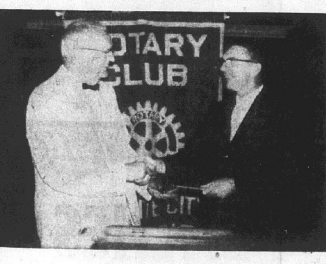

Heavy rains which fell in the past two days and measured four inches turned the site of the beauty pageant—the sunken gardens at Wilson Park—into a quagmire most certainly deserving the name "sunken."

But Jaycee contest general chairman Hilus Asadorian said this morning that barring any additional rain the pageant will be held as scheduled in the gardens, beginning at 7:30 o'clock Saturday evening.

The scheduled events in the process to select a local representative to the 1961 "Miss Illinois" pageant at Mount Vernon next spring generally remains the same as announced on Monday, Asadorian added, but the planning of the event, a part of the Granite City park district's July 4th weekend observances, has not been completed without complications.

Tea Rescheduled
A tea Saturday afternoon for the contestants, originally set in the home of Mrs. Harry Serfas at 2901 Benton street, had to be transferred to the Rose Bowl restaurant when Mrs. Serfas entered a hospital for treatment this week.

Further complications, for one of the contestants at least, developed when Miss Terry Polley suffered a sprained ligament in her right knee. Her parents said this morning that she will definitely be among the contestants, if her doctor will allow it. Asadorian said last night's one-half inch of rain did not worsen conditions at the sunken gardens, but that anything like Tuesday night's downpour between now and the pageant would force the Jaycees to transfer the location of the judging to some other area, probably one near the park swimming pool.

ROTARY INSTALLATION took place last night, with Dr. A. Ralph Lynn (left) installing Dean Maberry (right) as president of the Granite City club. The 37th annual ceremony was held during a banquet attended by about 75 members and guests.

"Miss Granite City" Beverlee Blaylock, Miss Sue Walters, Miss Suzanne Lexow, Miss Mary Jo Watson and, at far right, Miss Phyllis Stout. The winner, who will be crowned following the 7:30 p. m. finals by Miss Blaylock, automatically qualifies to enter the "Miss Illinois" pageant at Mount Vernon next spring.

Miss Suzanne Lexow, 20, daughter of Mr. and Mrs. Charles E. Lexow of Old Alton road.
Miss Terry Polley, 19, daughter of Mr. and Mrs. Richard Polley of 2531 Pontoon road.
Miss Phyllis Stout, 18, daughter of Mr. and Mrs. Phillip Stout of 2432 Edison avenue.
Miss Diana Taylor, 18, daughter of Mr. and Mrs. Ralph Taylor of 2156 Cleveland blvd.
Miss Sue Walters, 20, daughter of Mr. and Mrs. Robert L. Walters of 2722 Iowa street.
Miss Mary Jo Watson, 17, daughter of Mr. and Mrs. William Watson of 2409 Benton street.

In addition to the title and trip to the "Miss Illinois" pageant, the winner will receive a number of gifts from members of the Associated Retailers and Civic Association, co-sponsors of the pageant together with the Jaycees and the park district. Each contestant will also receive gifts.

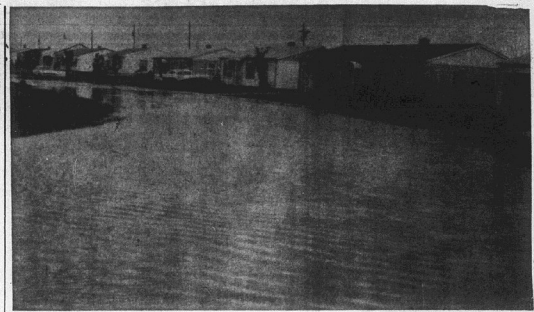

At 7:30 p.m. the contestants will appear in formals on a specially erected stage at the sunken gardens, then return in swim suits to be judged further on poise and beauty. Each contestant will make her final appearance to present the talent portion of the program.

Jaycee president Earl Parsons will serve as master of ceremonies for the pageant. Added atmosphere will be provided by colored spotlights to be played on the area and background organ music by Jack Johnson.

The climax of the pageant will be the announcement of the beauty pageant winner and her attendants by Parsons, and the crowning of the new "Miss Granite City" by the retiring title holder, Miss Beverlee Blaylock.

Seven Seek Title
The seven young women seeking the "Miss Granite City" of 1960 title are:

Miss Sheila Graham, 17, daughter of Mr. and Mrs. Kenneth Graham of 2017 Marney avenue.

NEWER AREAS ALSO FLOOD. This view was taken along Saratoga avenue in a new subdivision about 9:15 a. m. yesterday. A householder commented the photographer should have arrived earlier when the water was nearly to the doorways of homes.

Decision Expected Today In Postar Mandamus Suit

A decision is expected late today or tomorrow by Circuit Judge Harold Clark in a mandamus suit heard Tuesday at Edwardsville in connection with the city's refusal to approve an application by Mrs. Joseph Postar to open a package liquor store at Nameok road and St. Clair avenue.

Judge Clark said yesterday he would not be in Edwardsville until late today and would announce his decision this afternoon or tomorrow.

The hearing, which was heard in the judge's chamber, was underway for nearly two hours, appearing for the city were

Mayor Davis, who is liquor commissioner, and City Atty. William L. Beatty. Mrs. Postar was represented by Atty. Morris Chapman.

In seeking a court order "commanding the mayor" to approve the package liquor store application, Mrs. Postar pointed out the city was beyond its jurisdiction in setting a 100-foot distance between retail liquor outlets, her attorney stressed that nowhere in state statutes was that authority granted.

The city contends the authority is given indirectly in that a municipality may limit the number of taverns or retail liquor

outlets, and that the 100-foot restriction for new outlets is a form of restriction.

The location sought by Mrs. Postar is within 1000 feet of the Rose Bowl restaurant, which operates a liquor bar. She also is pointing out that liquor will not be served on the premises at the proposed package liquor store.

The mandamus suit was filed after the city council turned down an amendment to the city's liquor control ordinance, submitted by Mayor Davis, to eliminate the 1000-foot space limit between taverns and package liquor stores.

Improper Parking
Raymond Womack, 1122 College street, Venice, was fined \$10 for improper parking by Venice Police Magistrate Wesley Edwards Monday night.

PADDLERS POOL HOST TO MONTCLAIRE SCHOOL

The board of directors of the Paddlers swimming pool entertained members of the board of directors of the soon-to-be-opened Montclair swimming pool in Edwardsville Monday evening at the local pool site, 2121 Johnson road.

Due to the coolness of the weather, only a few of the braver members of both boards enjoyed swimming, after which the guests were taken on a tour of inspection. Francis McBride, president of the Paddlers board, explained the pool background and some of the problems encountered in beginning the pool and in the first years of operation.

The management of the pool was explained by Keith Parker, pool manager, and lifeguard procedure was explained by Donald Brumleve, assistant manager. The newly-installed water reclamation project was explained by Paul Morris, vice-president in charge of operations.

Mrs. Jane Johnson, Mrs. Jewell Baehr and Mrs. Donna Hogan served refreshments on the pool patio after the swimming and inspection tour.

Guests were Mr. and Mrs. Robert Runge, J. W. Alderson and son and Mr. and Mrs. George E. Blume. Runge is president of the Montclair board and said the pool is to open July 15.

Hosts were McBride, Mr. and Mrs. Morris, Mr. and Mrs. Homer Johnson, Mr. and Mrs. John Bondegard, Mr. and Mrs. Walter Baehr, Mrs. Hogan, Mrs. Eunice Hagler, Mr. and Mrs. Ray Durbin, Parker and Brumleve.

MRS. MARCUM HOSTESS
TO EVENING CIRCLE
The evening circles of the Nameoki Presbyterian United Women's Organization met Tuesday evening at the home of Mrs. Twyla Marcum, 4260 Vesel avenue.

Mrs. Bonnie Britton, chairman, called the meeting to order with the reading of Scripture. Missionary names of the month were read by Mrs. Fern Mitchell, and she offered prayer for the month.

"Key woman" and chairman of World Service, Mrs. Helen Johnson, reported that the cancer handbag quota has been reached. Mrs. Ann Freeling gave the lesson study for the evening, and the meeting closed with circle prayer.

The hostess served a late dessert course to Mrs. Britton, Mrs. Freeling, Mrs. Britton, Mrs. Lu Pyle, Mrs. Beatrice Pyle and Mrs. Mildred Sorter. The next regular meeting will be with Mrs. Lu Pyle in her home, 1715 Moro avenue, Sept. 27.

MRS. DORAN ENTERTAINS
Mrs. Dorothy Rutan entertained the Over 21 club Monday afternoon in her home, 4024 Melrose avenue, for a weekly meeting. Games were played, with the hostess winning highest honors.

A late dessert course was served by Mrs. Rutan to Mrs. Florence Borders, Mrs. Kathleen Hehle, Mrs. Mary Feurich, Mrs. Betty Matheny, Mrs. P. A. Shookman and Mrs. Laura Johnson. The next meeting will be July 11, instead of the next Monday, a holiday.

GC Resident's License
Suspension Rescinded
The suspension of the driver's license of Dan E. Apponey, 6 Jones Park, has been rescinded by the office of Secretary of State Charles F. Carpenter, his office said today.

The action was taken upon receipt of certification under seal showing that an appeal bond had been perfected regarding the offense with which Apponey had been charged, namely, following too closely. Carpenter's office added that since final disposition has not been made, Apponey's record does not show reports of three or more moving traffic violation convictions within one year, the basis for license suspension under Illinois law.

Carpenters To Install
Four Business Agents
Installation of the four business agents of the Carpenters' District Council of Madison county and vicinity will take place at a reorganization meeting July 18 in Edwardsville, it was announced this week. Eugene Ellberg of Granite City, W. O. Hays of Alton, George W. Meyers of Wood River and Kenneth Ostendorf of Edwardsville will begin new four-year terms.

Ellberg defeated two other members of Carpenters' Local 633 for business agent of this area, being opposed by Harry Crawford and H. W. Kemper, while the other agents were unopposed. Officials declined to release the vote totals in the three-way contest.

Legion Post 113 Elects Duccini New Commander

Alex Duccini, 2604 East 27th street, was elected commander of Tri-City American Legion Post 113 Tuesday night at the post home, 2533 Madison avenue.

Duccini, employed in the personnel department at the Granite City Engineer Depot, succeeds Melvin Steiger. A public installation of officers will be held Saturday, Aug. 13.

Other officers elected were Joseph Godfried, senior vice-commander; Joseph Summers, junior vice-commander; Harry Montague, finance officer; Richard Blackwell, sergeant-at-arms; and Edgar Horton, historian.

New members of the board of trustees are Harry Hillmer Jr. and Steiger. Melvin Hasenbrink was named to the executive board, while Steiger and Godfried were selected as delegates to American Legion conventions.

Montague, Horton, Charles Brazier and Summers were named alternate delegates.

A new member, Paul Morris, was taken into the post, August Scheffgen of Ford City, Pa. Post 654 was a guest.

A report on a \$300 nurse's training scholarship given each year by the post was presented by A. Burt Harris. A flag disposal ceremony will be held in Alton on July 15 and will be attended by the Post 113 drill team, led by Drillmaster Horton.

Nomination and election of new county officers will be held during a meeting July 20 in Edwardsville, County Commander Brazier announced. Summers, manager of the post's Junior Legion baseball team, announced that the squad was in first place in the northern division of the 22nd district league.

Food and refreshments were served to 40 members following the meeting.

Lloyal L. Westbrook, 61, Dies Suddenly
Lloyal Westbrook, 61, of 2901 Wayne avenue was pronounced dead on arrival at St. Elizabeth Hospital at 12:20 a. m. Wednesday. He was at home when stricken. An inquiry will be held to determine the cause of death. Mr. Westbrook had been under medical care for the past year and a half for a heart ailment.

A Quad-City resident for more than 50 years, he had been employed at the Granite City Steel Co., Blast Furnace Division as an oiler for 15 years. Born in Moro, Ill. Mr. Westbrook was a member of International Chemical Workers Union Local 50.

He is survived by his wife, Mrs. Frances Westbrook; two daughters, Miss Carole Marmion and Mrs. Emil Gerkin Jr., both of Granite City; a son, Fred Marmion, Granite City; three sisters, Mrs. Lelia Borden, Chicago, Mrs. Ruth Marmion, St. Louis, and Mrs. Evelyn Marmion, Granite City; three brothers, Truman, Howard and Thomas Westbrook, all of Granite City; a nephew, Howard Westbrook; and three grandchildren.

Funeral arrangements are given in today's obituary column.

Appointments To Fire, Police Depts. Pending
The Granite City Board of Fire and Police Commissioners met for a two-hour session with Mayor Davis Tuesday evening, reviewing 14 applications for openings in each of the city's fire and police departments. There are seven seeking each position.

Board President Rollo Winters said that no final decisions were made during the meeting, but the two appointments probably will be made at another special meeting early next week.

He added that an appointment to an existing fire captain vacancy will not be made until after the regular fireman's position has been filled. He said it has been a policy to upgrade men from the existing fire roster.

The present vacancy exists on the police force due to the resignation of Roger Thomas, who moved to Kentucky. Curtis Donley, assistant fire chief, has been reassigned to fire inspection and training duties.

Large Window Smashed
Mrs. Bill Kester, 2239 Illinois avenue, reported to Granite City police about 9:50 p. m. Wednesday that a large plate glass window had been broken at that address. Mrs. Kester said she was upstairs and heard the laughter of a group of youngsters before the shattering crash of glass.

Hit-And-Run Crash
Granite City police received a report at 10:15 Tuesday night from Mrs. Mary Brominski, 42, of 1447 Grand avenue, who said a hit-run car dragged the right rear tail light of her husband's 1959 sedan when she was stopped on Madison avenue at Niedringhaus for a stop light.

Bids To Be Sought For Cayuga St. Resurfacing

Authorization was given during Monday night's Granite City council session for Comptroller John Doehrer to seek bids for resurfacing Cayuga street. The city has set up an expenditure of \$200,000 from its sales tax reserve for the improvement project.

The work is to include some repairs to curbs and gutters, but the recommendation by Alderman Walter Nomm for the street to be widened has been abandoned. When originally proposed over a year ago, the improvement project was estimated to cost \$100,000, reduced to \$60,000 and now to the \$20,000 or less total.

Work on the street has been debated at frequent intervals by the council, with several motions recommending expenditures of street improvement funds on un-paved streets which handle greater amounts of traffic. Cayuga street, along which Alderman Walter Nomm resides, is paved with concrete, but the city engineer says it is in need of repairs to prevent further damage.

Local Depot Honors 2 Cooks In 'Cook-of-Month' Contest

Something new has been added to the U. S. Army.

The Army cook is being honored. The first in a series of "cook-of-the-month" awards were made recently at the Granite City Engineer Depot by the commander, Col. Jack C. Jeffrey.

Awards to the two winning cooks were three-day passes, a French chef's hat and \$10 checks.

The winners were SP4 Elmer Russell of the 185th Engineer Co. and SP4 James R. Abell of the 574th Engineer Co.

Each cook won a competition in his own consolidated messhall and was chosen by a vote of the troops.

Meat Loaf, Hot Rolls
SP4 Russell's winning dish was meat loaf.

SP4 Abell's winning dish was hot rolls. The first awards were for the month of May, and two cooks were selected because two messhalls are in operation at the local depot.

SP4 Russell entered the service from Edison, Tenn. He enlisted in the Army Reserve for eight years on Feb. 21, 1956. He has served with the 185th Engineer Co. since Sept. 26, 1958, in the food service career field and completed the cooks school at Fort Leonard Wood, Mo., in December 1958.

SP4 Abell entered the service from Birdseye, Ind., in May 1950, first serving as a water supply specialist in the 29th Armored Engineer Battalion for becoming a cook's helper in October 1957. He also completed the cooks school at Fort Wood in December 1958 and was assigned to the 574th Engineer Co. on Sept. 26, 1958.

Local SIU Students Win Tuition Awards

Three local students were among a total of 66 to receive scholarship awards from Southern Illinois University's Southwestern Campus, according to a recent announcement by Dr. Howard Davis, director of student affairs.

Edward D. Melton, 3016 Ash avenue and Ruth A. Williams of 2545 East 27th street, were Granite City recipients, as were David R. Hodges of Madison. Recommended by the Scholarships and Loans Committee for maintenance of at least a "C" average plus participation in activities programs, the award winners are granted remission of a year's tuition.

University officials said that students who will be attending SIU for the first time this fall may apply for the awards at university student affairs offices in Alton and East St. Louis.

Action on applications received during the summer normally is taken early in September.

Schmidt Infant Stillborn Monday

Services were held at 2:30 p.m. Tuesday at a local funeral home for the infant daughter of Mr. and Mrs. Edward W. Schmidt Jr., 2533 Lynch avenue, who was stillborn Monday night at St. Elizabeth Hospital.

Other survivors are two brothers, Edward III and Richard Schmidt, Granite City; paternal grandparents, Mr. and Mrs. Edward Schmidt sr., Granite City; and maternal grandparents, Mr. and Mrs. Edward Iberg, Highland.

The infant's father has been a resident of Granite City all his life and is employed at Granite City Steel Co. Burial took place at St. John's Cemetery. Other information is given in today's obituary column.

Charged With Speeding

Arthur L. Ritt, 21, of 4436 Nameoki road, was issued an arrest ticket Monday afternoon by Granite City police on a charge of speeding at Fehling road and State street. He posted his driver's license as bond.

Power Pole Catches Fire \$125 Damage Tuesday

Damage was set at \$125 in the apartment of Carl Duckett, 2115a Benton street, early Tuesday morning resulting from a blaze which broke out in a mattress in the upstairs address.

Firemen from the new station, who answered the alarm at 3:15 a.m., said there was \$75 damage to the building and set a \$50 loss to contents. The cause of the blaze was not learned.

About 1:45 a.m. Tuesday, firemen went to the city garage at 19th and Benton streets where the city's oil spray truck had flared. Firemen were unable to determine the cause of the flare-up, but reported no one was hurt and there was no damage to the truck. The vehicle was parked on the lot adjacent to the garage.

Plan Group Approves Zoning Change

A change of zoning for property on two lots in the block of Madison avenue owned by Arthur McFarland from R-3 to R-5 multiple family dwelling classification was approved by the City Plan Commission, and an amendment to the zoning ordinance was authorized Monday night by Granite City council members.

Held in abeyance by the plan commission, awaiting more information, was a request submitted by Andrew Orney for a change in zone classification for a 40-foot lot at 28th street and Grand avenue from R-3 residential to C-1 commercial. The recommendations were presented to the council by the plan commission after hearings were held earlier in the month.

'Which tire is BEST for you?

Buying the right tire is as easy as B-F-G!

B-F-G "HT" Silvertown

This Extra Smileage tire is best for drivers who pile on the mileage, can take advantage of its economy. For only 10% more than a new-car tire, it delivers 22% more mileage. Extra quiet rubber, too.

B-F-G Long Miler

Best bet for 'round town drivers who don't travel the superhighways, or don't often speed it up. Same tread design as the new-car Silvertown but the body's not quite as rugged... and we don't recommend it for constant high-speed driving.

B-F-G Silvertown

By far the best tire for Normal driving. Tough Tyrex cord body. Big tread puts lots of non-skid rubber on the road. Built to give more Smileage for drivers who take a few long trips each year, hundreds of short ones, and a lot of city-country, all-around driving.

Former Granite Cityans Honored

William E. Riddle, 81, former Granite Cityan and the eldest father attending services at First Assembly of God Church in Edwardsville, was honored recently by members of the congregation at a "This Is Your Life Program."

Mr. Riddle retired in May from the Wabash Railroad where he had been an employee since 1912. He began his railroad career as a brakeman in September, 1888, for the Kana-whay and Michigan Railroad.

The Rev. Cecil Grigsby, church pastor, introduced Mr. Riddle and his wife, Anna Dell, who will mark their 59th wedding anniversary July 25, were married at Point Pleasant, W. Va. Following the program a dinner for relatives and friends was served at the Riddle home on Poag road.

FORMER RESIDENT, W. E. Riddle, 81, now residing near Edwardsville, who was honored at a "This Is Your Life" program last week at the Assembly of God Church in Edwardsville. Shown in the front row are Mrs. Riddle and the honoree's brother, Homer Riddle, at right. Standing, left to right, are Mrs. Frances Miller, Mr. Riddle's daughter; Paul Miller, a grandson; Randall Anderson, a great-grandson; Mr. and Mrs. Harold Skeen, son-in-law and daughter; Mrs. Doris Anderson, a granddaughter; and Diana Lynn Anderson, a great-granddaughter of Mr. Riddle, who is being held by her father, Leonard B. Anderson. Mr. and Mrs. Riddle will celebrate their 59th wedding anniversary July 25.

Plans Made By Board Of WSCS

An executive board meeting of the Woman's Society of Christian Service of Niedringhaus Memorial Church was held Tuesday evening in the home of the president, Mrs. Elsie Henley, 2540 Cleveland Blvd.

The opening prayer was offered by Mrs. Pearl Kean and 17 responded to roll call.

Mrs. Kean, Mrs. June K. Kanderer, Mrs. Jan Cardwell and Mrs. Henley reported on the Sub-District meeting held at the Namekiki Methodist Church June 24, and Mrs. Lenora Hawks, chairman of the bazaar committee, discussed plans for the bazaar Dec. 2.

A School of Missions will be conducted at McKendree College August 7-12, according to an announcement by the president. A current project of the WSCS is the remodeling and redecoration of the Ladies Lounge of the office building. In absence of Mrs. Lois Lester, chairman, Mrs. Henley reported on the progress of the work.

The next general meeting of the society will be held July 12, with the Miriam Circle in charge of the program and the Esther Circle serving as hostesses. At the close of Tuesday's meeting, Mrs. Henley served rolls and coffee to the group.

Plan Swim Class For Handicapped

A voluntary survey to determine the number of physically handicapped and mentally retarded children and adults interested in receiving free swimming instruction is being planned by the YMCA.

Mrs. Lee Pfaff, "Y" women's director, who will be in charge of the proposed class, said an appeal is being made to families who have members who qualify to contact the YMCA concerning the group instruction planned.

"We hope to get the names of these persons now," Mrs. Pfaff said.

Park Softball Tourney Opens Friday Night

Millie and Mickey's, reigning Illinois Class "B" softball champions and current leaders in the local classic league, will oppose Granite City Steel Credit Union of the local Class "B" league at 7 p.m. tomorrow at Wilson Park in the first game of the park district's invitational tournament.

At 8:30 p.m., Modern Exterminators, another Class "B" entry, will meet the Alton Chiefs in another first round game of the park district's annual July 4th weekend tourney, which extends over a four-day period.

The final first-round games will be played Saturday, the first between the local classic league representative, the Ravens, and North's Northsiders of Alton at 7 p.m., and the second involving still another Classic squad, Spengler Oil, and the Frisco Railroad team from St. Louis at 8:30 p.m.

Semi-final play in both the consolation and championship brackets is set for Sunday. The losers of games one and two will meet at 1:30 p.m., and the losers of games three and four at 3:30 p.m.

Semi-finals in the winners' bracket will include games at 7 and 8:30 p.m., with the two upper bracket survivors matched in the first game and the lower bracket teams in the second.

On Monday, the consolation winner will be decided at 5:30 p.m. with the tournament championship game to follow at 7:30 p.m. Small trophies will be presented to each member of the winning team. Team trophies will go to the first place, second place and consolation winners.

Select Inter-City

All-Stars Friday:

Game Set For July 24

Officials of the Southwest Illinois Inter-City Baseball league and managers of the ten league teams will meet tomorrow night at the L and M tavern in Highland to select members of the Inter-City all-star teams. League Secretary Henry Huser said today.

The 23rd annual all-star game between the top players in the Blue and Red divisions will be played July 24 at Maryville, with the Blue division serving as home team. The Blues have won five of the last six all-star games played.

Each division squad is to consist of 20 players, excluding a manager and two coaches, who also will be named at the meeting tomorrow. If the league follows the pattern of selection in recent years, each squad will include a four-man pitching staff, at least two members of which must appear in the all-star game. In case the all-star game date is rained out, the contest will be rescheduled as a night game at Fletcher field in Collinsville on Aug. 6.

Managers and officials' wives are being invited to Friday's meeting, which will include a chicken and fish dinner.

Gene Mauch, new manager of the Philadelphia National League baseball team, is the youngest pilot in the majors this year. He is 34 and lives in Los Angeles.

**BOY IN Hospital After
Being Struck By Boat**

James Stephens, 12, son of Mr. and Mrs. James Stephens, 4245 Route 111, is in good condition at St. Joseph's Hospital in Alton this week after a weekend boating accident near Pere Marquette State Park.

The boy, who had fallen from the prow of his uncle's cruiser, was being held aloft by a life jacket when a boat passed over him, badly cutting his upper left arm and the back of his head. His lower left arm also was bruised and lacerated.

A tourniquet was applied to the injured arm before the boat put into the dock, and he was then taken to the hospital.

The boy was riding in the

boat with his uncle and two cousins when the accident occurred.

Local Contest Highlights Busiest Weekend Of '60 Inter-City Season

This could well be the "do or die" weekend for contenders in the Southwestern Illinois Inter-City Baseball league, including Mercer Funeral Home and Sacred Heart.

With nine games scheduled to be played on Sunday and Monday, the positions currently occupied by six contenders, three in each division, could very well change by the time the busiest two days of the season have come to a close.

And with the Hearts and Mercer scheduled to meet for the first time this year at 2:30 p.m. Monday in Wilson Park, it is a foregone conclusion that one of the two Granite City entries can at best only mark time in its present position.

Mercer leads the Blue division by only one game over runner-up McAtter. Class of East St. Louis; the Hearts, forced to look up at another team for the first time this year, are tied for second place in the Red loop with another East St. Louis team, State Savings and Loan. Both trail current leader McAtter.

Rival Managers Dick Portel and Ollie Miller of Mercer and Herman Tucker of the Hearts undoubtedly will save their most experienced hurlers for the big game. Which means the Hearts will be looking at the slants of 4-1 Andy Angalet and Mercer must face 6-1 Bob Page.

On Sunday afternoon, Mercer hosts Troy's Redbirds, with Jack Buente or Joe Holder the possible starting pitcher for the local team. That same day, the Hearts will oppose Highland there on the VFW field, with Rommie White likely to open up on the hill.

White City and McAtter, both take Sunday off, but everybody else will be busy, including two definite contenders for the big game. Which means the Hearts will play at McAtter, State Savings will travel to Carpenter for a game with the Blue division's cellar-dwellers.

Mercer and State Savings will continue the July 4th weekend fireworks Monday in East St. Louis, with State Savings the home team. Carpenter is scheduled to travel to White City, and in two important games the Buckleens are at home to Troy and Highland faces the Red Sox in Maryville.

The ability of the six teams that are still very much in the division pennant races at this point to keep fourth and fifth place teams in the same spots

Friday YMCA Teentown Dance Is Cancelled
Due to the large number of other activities scheduled in Granite City during the July 4th weekend, the first summer Teentown dance at the Granite City YMCA, scheduled for tomorrow night, has been cancelled. Miss Pat Mega, teenage director, said today.

Instead, the first dance will be held on July 15 from 7 to 11 p.m. Others are planned on Aug. 5 and Aug. 19, and will be held in the air-conditioned auditorium at the YMCA.

Forfeit-Filled Night In Baptist League

Not much softball was played in the Baptist Slow Pitch league Tuesday night. Two games were scheduled at Lee Park in Venice, but both resulted in forfeits.

Second Baptist could not field a team for the first game and forfeited to First Baptist, which had not won a game in five previous tries this season. The forfeit gave both clubs 1-5 records and a tie for last place in the seven-team league.

Culinary Baptist, only a half-game above the tail-enders, forfeited to Lee Park.

July 4th To Commemorate Nation's Fight For Independence From Tyranny

"Independence now and independence forever!"
—Daniel Webster.

The birthday of the United States has become so well known as the Fourth of July that a second thought is often necessary to correctly designate it as Independence Day. Yet this theme of independence and freedom from tyranny describes the purpose of the annual observance as eloquently today as 184 years ago, when the Continental Congress adopted the Declaration of Independence.

While the terminology has been simplified, the founders of the nation would be pleased to see how widespread and meaningful the celebration has become. They regarded Independence Day as an important occasion and one suitable for public rejoicing.

John Adams correctly predicted that "it will be celebrated by succeeding generations at the great anniversary festival. It ought to be commemorated as the day of deliverance, by solemn acts of devotion to God Almighty. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires and illuminations, from one end of this continent to the other, from this time forward forevermore."

Observed every year since 1776 and a legal holiday since 1941, July 4 will have special significance this year because it will mark the beginning of official display of the new 50-star flag. The holiday also will be worthy of special attention due to the continuing cold war and the need for constant re-dedication to preserving America's hard-won freedoms.

As Abraham Lincoln said in Madison county 102 years ago, "What constitutes the bulwark of our own liberty and independence? Our reliance is in the love of liberty which God has planted in us. Our defense is in the spirit which prized liberty as the heritage of all men, in all lands everywhere. Destroy this spirit and you have planted the seeds of despotism at your own doors."

Illinois Welcoming Millions Of Tourists With Million Attractions

Many Quad-Cityans plan vacation trips to other states this year, and a growing number will go abroad. But for those who for various reasons contemplate shorter journeys, Illinois offers "a million things to see and do," the state's departmental information service reports. More and more Illinois residents are taking advantage of the proximity of their home state's scenic points of interest, and last year 11,000,000 out-of-state visitors were attracted here.

In opening its portals to another flood of tourists, including an estimated 2,000,000 persons who will tour the "Lincoln country" near Springfield, the state government proudly boasts that Illinois is the "hub of the nation—here converge the nation's highways, air lines and rails." The state capital and Lincoln trail loom prominently among the tourist attractions along with huge Chicago, the state parks, memorials and conservation areas and such population centers as the Illinois Metropolitan Area opposite St. Louis.

Dates on the 1960 calendar include the annual Madison county fair July 26-30 in Highland, the 108th Illinois state fair August 12-21 in Springfield, the Granite City Rotary horse show August 28 and the DuQuoin state fair August 28-September 5. Athletic events, fishing, hunting, boating and myriad other activities await holiday-bound families. Whether they are from this state or from far away, vacationists will receive a warm welcome this year in Illinois.

Many Cities Unhappy With Census Totals, Suburbs Show Biggest Gains

If it is any consolation, Madison and Venice are not alone in expressing disfavor with the unofficial census results. Alton, Belleville, St. Louis and cities throughout the country have voiced dismay after learning of lower increases than expected or actual population decreases.

While 180 of the 189 major metropolitan areas of the nation gained in population, New York, Chicago, Philadelphia, Detroit and scores of other cities showed a decline. During the same ten-year period of the 1950s, suburbs of leading cities mushroomed, accounting for two-thirds of the nation's 28,000,000 gain from 151,325,798 to an estimated 179,500,000.

Led by a 47.2% rise in suburban population, the 189 metropolitan areas advanced by 24.3% to 108,872,660, or 61.3% of the national total. Central cities, some of them hemmed in by their suburbs, gained only 8.2% although the population in general increased by 18%. Illinois, rising 14.6%, from 8,712,176 to 9,981,617, may lose one of its 25 seats in the House of Representatives.

With the estimate placed at 179,500,000 despite a field count of only 177,733,190 in the 50 states and the District of Columbia, the Census Bureau has allowed for some margin of error as well as tabulation of the armed forces overseas and crew members of American military and merchant vessels.

The bureau must present its final census report to the president by December 1. With limited time remaining, many communities are urging their residents to notify the government if they have reason to believe that the census figures are incorrect. Quad-Cityans may do so by filling out special forms that are available at the Press-Record office.

Holiday Weekend Poses Threat To Improved 1960 Traffic Record

With the second of this year's three long holiday weekends at hand, Quad-City and Illinois residents will face extra hazardous driving conditions that could jeopardize their currently outstanding 1960 safety records.

In this community, the six traffic deaths recorded so far represent a reduction of four or 40% over last year. Throughout the state, there have been 579 fatalities in the first five months of the year, down 39 or 6.3% from the same period in 1959. The 142 total in May was 17 lower than May 1959 and the lowest May figure in 12 years.

Illinois highways and streets have seen record low traffic tolls in each of the past four years. Traffic lanes will be crowded this weekend, but with caution and reasonable speeds the improved record can be continued.

Toastmaster Award To Richard Coleman

Richard Coleman was this week's winner of the coveted Toastmaster award at the club's Monday evening meeting in Cline's restaurant club room.

Coleman's prize topic was an impromptu speech entitled, "Vacations." His topic was, "Just Another Decision."

Marvin Dean was appointed general evaluator, and Dr. Claude Hiles was best critic.

Granite City PRESS-RECORD Page 30 Thurs., June 30, 1960

The 11 attending Toastmaster Club members agreed, in a short pre-speech session, that no meeting would be held next Monday, July 4.

Spokesman Charles Withers said the next regular meeting would be held Monday, July 11. He added that a special "ladies night" would mark that date at Wilson Park. Members were requested to bring their wives and "basket dinners."

QUESTIONS BUDGET ITEM ON CAYUGA IMPROVEMENT

Mr. C. E. Townsend, Editor Granite City Press-Record, Granite City, Illinois.

Dear Mr. Townsend: Since real estate tax was again increased this year, it would seem that we should start practicing a little more economy in all our government agencies.

May I call your attention to a special appropriation of \$20,000 in our 1960 city budget, for improvements to Cayuga St? The 1959 budget listed a \$20,000 item as a reserve working cash fund. We had hoped to see this amount carried over to 1960, showing a \$20,000 credit to start out our fiscal year. The comptroller says the money was used for various improvements throughout the city. \$20,000 for 1959, \$20,000 for 1960 — \$40,000 which is a sizeable amount; if we could apply this to 1960 city expenses, should we be fair, and appropriate \$20,000 for every street with an arterial classification?

Let's compare two streets with an arterial classification, and almost identical in length, width, and amount of traffic.

Cayuga St. — Little traffic. Two blocks long. Street is paved, curbed and guttered. Needs some repair. Residents want it widened, paved, with new curbs and guttering.

Ralph St. — Little traffic. Two blocks long. Street has never been paved. Partially curbed and guttered. Needs complete paving program. Residents want it paved.

Both streets have the same classification. Both are set up for future improvement with Motor Fuel Tax. Surely, our representatives at City Hall do not plan to vote for this \$20,000 appropriation in our 1960 budget to be applied exclusively to Cayuga Street? The BUREAU OF HIGHWAYS figure for \$60,000 from Motor Fuel Tax plus the questionable \$20,000 from 1959 would give the original appropriation asked for in a total amount of \$100,000.

This has been termed a clash of personalities by some of our aldermen. YOU'RE DARNED RIGHT IT IS. Every citizen and taxpayer in this community has the right to clash with any person who personally inflicts personal and unfair expenditures of our tax money.

Yours truly,
J. L. Y. P. CHABOUDE

URGES ACTION TO HALT COMMUNISM IN CUBA

Dear Editor:

In view of the rising tide of Soviet and Chinese exploitation in Cuba it is indeed necessary to express my growing alarm at the suddenness and complete about face of a Man we mistook for a lover of freedom. As soon as I recognized the fact that Castro was not a patriot I shouted to my fellow Americans that Cuba was a dagger pointed at the heart of America.

History and the World News and Report Magazine give ample testimony to my fears; yet people label me warnings "radical" and an "alarmist." The promise of Khrushchev to bury us alive are beginning to be recognized as a reality now the Cuban is in Communist hand. Now the whole of S. America is threatened including the Panama Canal.

Well might we examine the predictions of Lenin as to the fate of America — "We will first take the Masses of Asia and then the Middle East, Africa and South America. Then the United States will fall to us like a ripe fruit." It doesn't take a fatalist to realize what has taken place. Can any patriotic American remain untroubled?

Must we be paralyzed into submission before we will act? Can't we do something drastic to take Cuba away from subversive elements in its internal affairs? Must we suffer another "cold war" defeat without lifting a finger? Will there not be 10 just men to come forward in our hour of need? Today the pentagon is filled with the influence of communist penetration.

Act today or tomorrow will be too late. Storm the Senate Internal Security Committee, storm the Secretary of State and War Storm your representatives and Congressmen that we want action in Cuba even though the cost may mean a limited war.

Your truly,
VINCENT J. ASHAL,
2808 Madison Ave.,
Granite City, Ill.

P.S. If we can't handle Cuba we had better quit.

The Purple Heart medal, awarded to those wounded in action against an enemy of the United States, was established by Gen. George Washington in 1782.

Fines Assessed In GC During May Total \$2290

Fines for traffic and ordinance violations totaled \$2290 during May, according to a monthly report submitted to the Granite City council Monday night by Police Magistrate Andrew Gasparovic Jr. The report was referred to the city comptroller.

Of the total \$754 was assessed and collected for ordinance violations and the amount went to the city's general fund, and \$1536 was assessed for 95 traffic violations and went to the city's street department account.

Dramshop Suit Results From Local Collision

A \$7500 Illinois Dramshop Act suit has been filed in the circuit court at Edwardsville by Mr. and Mrs. Grover Bolt, Rural Route One, against two establishments allegedly serving drinks to Robert McQueen, 30, Caseyville, before a two-car collision at 22nd street and Madison avenue on the night of May 18.

The Bolts named American Legion Post 113 and Beulah Oink of the Drive-In Liquor Store, 2600 Madison avenue, as defendants. They charged that McQueen was sold alcoholic beverages at both places on the night of the accident.

The plaintiffs have alleged suffering personal injuries. A police report at the time showed that Bolt was driving east on 22nd street and McQueen north on Madison avenue and making a left turn. McQueen was fined \$100 for driving while under the influence of alcohol and \$10 for making an improper turn.

Miss Deloris Cavins Superior Scholar

Miss Deloris Louise Cavins, daughter of Mr. and Mrs. Onis Cavins, 2300 East 24th street, has won recognition for superior scholarship at Olivet Nazarene College by being placed on the second semester honor roll. The announcement was made by Dr. W. E. Snowberger, dean of the college.

The honor roll consists of the names of those students with a grade average of B or above.

GC Solons Ok Stop Sign, Parking Zones, Bus Stop

New stop signs, 30-minute and no-parking zones and a bus stop were approved by Granite City council members Monday night.

The new stop signs are to be placed on 16th street at its intersection with State street, the scene of several recent traffic accidents in which injuries were suffered.

The 30-minute parking zone is to be located on the west side of Lee avenue for a distance of 50 feet north from 21st street to serve a corner grocery; and the no-parking zones will be on the north and south sides of 23rd street between Madison avenue and Iowa streets to avoid congestion at the emergency exit at the new fire station.

The bus stop ordinance originally set two zones, but only the one on Delmar avenue at the northwest corner of the 21st street intersection was approved. Removed from the ordinance was a second stop on 19th street.

Motorists In Accident Issued Arrest Tickets

A charge of failure to yield a right-of-way was placed against a 71-year-old motorist involved in a collision Monday afternoon at 20th and Adams streets. He was Jeom McCoy, of Lovejoy, who posted his driver's license as bond.

The Granite City police said McCoy was driving north on Adams street and making a left turn, while an auto was being driven west on 20th street by William E. Varner, 54, of 1315 Nineteenth street. Varner also issued an arrest ticket on a charge of failing to display a city auto license. He posted his driver's license as bond.

The report shows there was damage to the front of McCoy's auto and to the rear of the Varner auto. No injuries were listed.

\$15,000 Sought From City On Sidewalk Fall

A \$15,000 damage suit against the city of Granite City was reported at Monday night's city council meeting and referred to City Attorney William Beatty for study. The circuit court suit takes \$15,000 damages for hand and other injuries suffered by Mrs. Rose Johannpeter, 2031a Dewey avenue, in a fall on a sidewalk.

The suit relates that she struck an elevated part of the walk, causing her to fall on April 26 on the sidewalk along 20th street between Grand and Madison avenues. Serious and permanent injuries are alleged, and negligence by the city is charged. She is being represented by the law firm of Morris Chapman.

BIRTHDAY SURPRISE

On its monthly meeting night Monday evening the Golden Circle class of Second Baptist Church held a surprise for the July birthday of its teacher, Mrs. Maxine Dacus, at the home of Mr. and Mrs. Rudy Bailey, 2815 Emale street.

The lawn party was enjoyed by Mr. and Mrs. Bailey and children, Kathy and Glen. Mr. and Mrs. John Crown, Mrs. Sara Huber, Mrs. Janey Smith, Mrs. Lorraine Whitson, Mr. and Mrs. Loy Sykes and children, Glenda and Ricky Loy, Mr. and Mrs. Luther Mathis, Mr. and Mrs. Arthur Hoffman, Rev. and Mrs. W. L. Showers, Mrs. Glenda Stubblefield and daughter, Maxine, and Mrs. Dacus and daughter, Mildred.

A number of gifts were presented to the honoree, and a decorated birthday cake was served with ice cream, made by Mrs. Helma McClanahan and Mrs. Bailey.

HOME FROM TENNESSEE

Mr. and Mrs. Alan LeMaster and their two daughters returned during the weekend from Dover and Indian Mounds, Tenn., where they visited relatives. They were accompanied home by an aunt, Mrs. T. W. Slay of Indian Mounds, and Miss Dixie Miles of Dover.

HOME FROM COLORADO

Mr. and Mrs. Eston Barnhardt and granddaughters, Kimberley and Janie Barnhardt, of Denver, Colo., have been visiting at the home of Mr. and Mrs. Chester James, 2403 Missouri avenue. They left for home on Wednesday.

Sterling M. Darnell Jr., who is in the Navy at San Francisco, Calif., has been home on a 25-day leave, visiting his parents, Mr. and Mrs. S. M. Darnell sr., 2134 Nevada street, and his brother, William W. Darnell. He left Wednesday.

A former local resident, Mrs. Ellen King, who is now residing in New York, is here for an extended stay with Mrs. Clara King's family and friends and other relatives.

Thomas Smith Gets Kiwanis 'Red Circle'

At the weekly dinner meeting of the Mitchell Kiwanis, Monday, Thomas Smith was proudly presented a "Red Circle of Distinction," for his efforts in bringing a new member into the club.

Club President Robert Franko advised the 11 attending members that the next Kiwanis meeting would be held Tuesday, July 5, rather than the regular date which falls on a national holiday.

Plans were also finalized for an interclub meeting with the Kiwanis Club of Centerville, Ill. this evening. The "traveling gavel" will be presented the Centerville group at that time.

The local club further agreed to attend Sports Day, July 11, in O'Fallon.

Following the business meeting in Smith's Cafe, members were shown a highway safety film, "Murder on the Highway."

BEGINNING BAND INSTRUCTION is shown being given to a group of nine-year-olds who will be in the fourth grade this fall. Learning to play woodwind instruments, these pupils are being taught by Miss Vivian Raffaele in summer classes held in the Nameoki grade school gymnasium. About 100 are enrolled in the program there. Summer band courses also are in progress at Granite City high school, Coolidge junior high and McKinley grade school.

Twilighters To Aid Jr. Optimist Club

Fund raising plans to aid the Junior Optimist Club's summer recreational and educational program was the main topic of Monday's bi-weekly dinner meeting of Granite City's Twilight Optimists.

During the four-day celebration at Wilson Park, starting Friday, the Twilighters will operate a balloon vending concession, according to spokesman Robert Toburen. Proceeds from the venture, he added, will be devoted entirely to expanding the junior club's activities for summer outdoor interests.

Meeting in the Rose Bowl restaurant, the 17 attending members of the Twilight Optimists, also, concluded year-end financial business prior to the taking of office by the club's recently elected panel of officers on July 11.

Mayor, City Attorney Will Attend Bus Route Hearing

Mayor Davis and City Atty. William Beatty were authorized by the council Monday to attend the Illinois Commerce Commission hearing in Springfield on July 6, when the petition by Community Coach Co. to route buses will be heard.

A delegation of residents from the 2300 block of Delmar avenue with Mr. and Mrs. Elmer Baker as spokesmen appeared before the council Monday to voice objections to the new routing in that block.

Several solons pointed out the mayor and attorney could not actively oppose the new routing, since the council earlier had signified its approval to the commission. Mayor Davis pointed out there was no need to call a vote to rescind the previous action, since there was objection to a further change present among the 12 council members present.

Alderman Walter Nunn insisted the acceptance of the new routing by the city should be rescinded, before permission was granted to the mayor and attorney to attend. Mayor Davis replied he would attend the hearing, anyway, and take the city attorney with him, if only to sit and listen to the proceedings. Mrs. Baker indicated that a number of residents of the block would attend the hearing at Springfield and that objections already had been filed with the commerce commission.

Baker told the council there was no need for public bus service in the block and that the operation of buses over the narrow street caused hazards to pedestrians, motorists and children. He suggested the route be changed to Madison avenue.

Mayor Davis pointed out the new routing was undertaken to eliminate a hazardous condition at 27th street and Madison avenue, and that a compromise routing was worked out during a meeting of city and Community Coach Co. officials.

"If we move the routing over another block, then that group will protest. The entire matter is to be decided by the Illinois Commerce Commission," the mayor pointed out.

Alderman Arthur Wiegner said buses have been operating over sections of Delmar avenue for years and that the street is convenient because of its central location between Adams street and Madison avenue.

Another alderman, Samuel Whitner, said he had heard several favorable comments on the convenience of the new routing, especially the extension on Benton street to 27th street. He added that the new routing is in the 2300 block of State street where he resides and his family was not at all disturbed by the buses.

A suggestion was made by Mrs. Baker that Delmar avenue be restricted to one-way traffic at least limit the operation of buses to one direction. Mayor Davis explained he wanted one-way streets to be extended to 27th street but the plan never was accepted by the council.

In voting to authorize the mayor and attorney to attend the hearing, council members did not direct them to voice any objections; and Mayor Davis said he was going just to see what would take place.

In a roll call vote, Alderman Nunn and Steve Basarich opposed the motion.

Venice Library Again To Sponsor Story Hours

The life of a boy as seen through the sympathetic eyes of Mark Twain will be the subject of children's story hours this summer at the Venice public library, 325 Broadway. It was announced today by Miss Catherine McGee, librarian.

Altogether, five reading sessions will be held, starting July 13 and continuing each Wednesday from 10 a.m. to 11 a.m.

Huckleberry Finn, whose riverboat adventures on the Mississippi have lost little of their magic despite today's rocketry and dreams of Mars, was chosen for emphasis along with others of the author's immortal characters by the reader, Mrs. Sybil Robbs, because 1900 is Mark Twain Centennial year.

The hours are designed for students in kindergarten through fourth grade, and will feature films and activity songs as well as readings.

In addition, "We hope to end with a party or picnic," Miss McGee said.

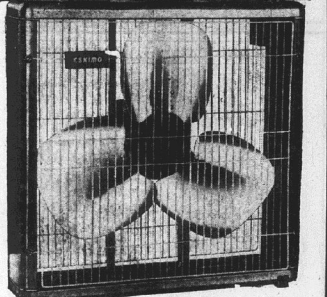

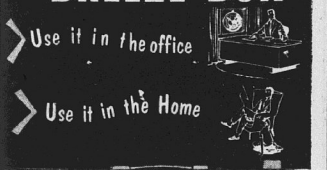

Next GC Council Session To Be Held On Tuesday

Due to the July 4 holiday on Monday, the regular session of the Granite City council, scheduled for the first Monday of the month, will be held on Tuesday, July 5.

The change is automatic whenever a meeting date falls on a Monday holiday. It is set forth in a city ordinance.

GC Buys Two 50-Star Flags, Other Expenses

Purchase of two 50-star flags for \$41 was included on the city bill list approved Monday night by Granite City council members. The city paid for the last half of June also was approved, totaling \$36,383.

The bill list total for the past week amounted to \$36,677 and included \$1123 for vehicle maintenance and parts, \$572 for gasoline and oil and \$1159 for street department materials, such as gravel, concrete, asphalt and miscellaneous items.

The city's weed cutting bill for the week amounted to \$161 paid to Leo Kamahuski for cutting 54 1/2 lots at \$2.95.

Expense allowances approved were \$50 for Police Chief Raymond Willard, \$30 for Junmond Willard, \$30 for Alderman Walter Nomm and \$60 for Alderman Mrs. Gabrielle Bettine for expenses during four months.

Boy's Letter To Editor Wins Story Book Award

Not one to be bashful when it comes to writing a "letter to the editor," eight-year-old James R. Woodruff of Granite City, took pen in hand recently and dashed off an account of a trip to Arizona. He sent his descriptive passages to the editors of a popular children's magazine.

Thinking nothing more of the matter, young James, son of Mr. and Mrs. Richard R. Woodruff, 7748 Vincent avenue, went off for a short session of outdoor life at the YMCA camp.

The children's magazine editors thought so highly of James' letter, they selected it for publication from many hundreds of letters coming from youngsters all over the world.

As an added distinction, James, a fourth grade student at Maryville road school, will receive a children's anthology containing short stories and verse.

held on the opening day, Wm. Milton Worthen, president of the board, announced.

Ralph Frohardt will again supervise the swimming pool. He will be assisted by Evan Curry, head lifeguard, and two assistants.

The park board has just completed the installation of a new diving tower, platform and other equipment to make the pool more enjoyable and sanitary for swimmers.

The board has also bought a new supply of swimming suits for women and girls. In previous years, complaints were received from women about the poor condition of suits rented at the city house.

The new suits were described as "safe and sane" and no effort was made to give the wearers the "latest thing" in sun exposure apparel.

Mrs. Edward Fischer and daughter, Mary Alice, have returned to their home in Effingham, Ill., after several months stay in this city with Mrs. Fischer's parents, Mr. and Mrs. John Koelker.

Mrs. Earl Spangler was honored at a prettily appointed stork shower Tuesday afternoon in the home of Mrs. Minnie Martin. Many lovely gifts were presented the honoree and after a social time luncheon was served by the hostess. At the shower were Mrs. Ernest Miller, Mrs. H.

Miller, Mrs. Ida Beyer, Mrs. A. Fisk, Mrs. Sue Fisk, Mrs. Verna Campbell, Mrs. Jessie Hargraves, Mrs. Leland Burris, Mrs. Anna Tucker, Mrs. Martin, Mrs. Jessie Overbey, Mrs. Anna Persinger, Mrs. Etta Chapman, Mrs. John Johnson, Mrs. L. Howard, Mrs. D. Dennis, Mrs. Spangler and Mrs. Martin.

Plans have been completed for the annual Sacred Heart Catholic Church picnic which will be given next Sunday at Hackethal's on Long Lake. Sid Winters, general chairman, said there will be a variety of amusements on the picnic grounds for children and adults. Children dinners will be served under the supervision of Mrs. Margaret Morn and Mrs. Martin Schroeder. Fr. M. Costello is pastor of the Sacred Heart Catholic Church.

Mr. and Mrs. Clecy Hicks and daughter of Murphysboro, Ill., are guests this week of Mr. and Mrs. Oscar Martin and other relatives and friends here.

Misses Virginia, Hettie Lee and Mary Margaret Hunter have returned home from Florida, Ill., where they spent an extended time with relatives.

Mr. and Mrs. John Selb are vacationing in Tennessee. Miss Coleta Sauer left this week for Chicago, Ill., to spend the summer. While there she will be the house guest of her uncle

and aunt, Mr. and Mrs. Thomas Brighten. Jack and Carl Tucker spent Tuesday and yesterday visiting relatives and friends in Decatur, Ill.

Mr. and Mrs. Lee Hargraves and son, Gene, returned home this week from Carmel, Ill., where they visited several days. Mrs. E. Durer, accompanied by

Mrs. Raymond Brown and daughter of Granite City, motored to Dupu, Ill., and visited relatives yesterday.

Mrs. Gerald Fossick entertained her mother, Mrs. R. E. Gearing, her cousin, Miss Emily Louise Rothacher, and Mrs. Paul Chevalier and daughter, Erma, all of Alton, yesterday.

Council Sweeps Through Carryover Business

Attendance was better at Monday night's meeting of the Granite City council, and the aldermen proceeded in rapid-fire order to give approval to "first-reading" activities of last week's session, when only nine aldermen were present.

Twelve aldermen were present for this week's meeting, and to make certain the vote was sufficient, Mayor Davis added his to each order of business.

Final approval was given an agreement for a \$1200 settlement to be paid to Luther DuVard for damage to basement walls at a home at 4210 Maryland road.

Drainage Line Contract
A contract with A. H. Seebold & Co. for a \$3850 project to install a storm water drainage line in the 3300 block of Franklin avenue also was given final approval, along with a resolution for installation of a fire hydrant at 2820 Lincoln avenue.

An ordinance setting sewer tap-on rentals, along with a construction agreement for installation of sanitary sewer lines to serve a tract in American Gardens subdivision along Franklin avenue, were advanced to final reading and approved. The tract, which is to be divided into several lots, is owned by Gertrude Eads and Raymond and Helen Douglas, who are to pay the construction costs and be reimbursed by the city under the procedure regularly carried out for subdivisions.

The sewer rental fee will be the regular \$2.50-a-month. Permission was given Howard Ezzell, 1740 Courtney blvd., who lives outside the city limits, to connect his house with a nearby sanitary sewer line and also pay the usual tap-on and monthly rental fee. The tap-on had been turned down at last week's meeting.

Appointment Confirmed
Confirmation was given the appointment of Bill J. Seago, 26, of 2504 Sheridan avenue, to the city fire department to fill the vacancy created by the June 15 resignation of Fire Capt. William E. Hillman. The appointment was made, dated June 20, by the Board of Fire and Police Commissioners.

Under new business, the council members authorized the street department to apply oil on unpaved alleys in commercial

Holiday Weekend Event

12 Youngsters To Compete In Talent Contest Sunday

The spotlight will be on youth at Sunday's free talent show sponsored by the Granite City parks district, as 12 top-notch youngsters compete under the stars for five awards. The stage show will be presented on a stage built in the 69th street area of Wilson Park, starting at 7:30 p.m.

Ages of the entrants range from 7 to 14, and their talents include everything from baton twirling and singing to piano, guitar and acrobatics. The 12 contestants were selected after a series of three auditions, held at the YMCA, Miss Sheila Graham, chairman, said.

George Abell, TV announcer, will be master of ceremonies, and the program will last from an hour to an hour and a half, with trophies presented to the winners at its conclusion.

Three judges, all with experience either in the entertainment field or as theatrical talent judges, will select the best quintet of talents, the chairman said.

They are Mrs. Parker Bibbey, supervisor of St. Louis' Welcome Wagon; Keith Parker, guidance

Textbooks Chosen By Staff, Will Be Studied

Granite City school textbooks will be studied to determine whether any have "Communist leanings," Supt. Harold M. Kaiser reported at Tuesday night's school board meeting.

His remarks referred to a letter to the Press-Record Forum column saying some books contained "a subtle indoctrination." This letter is not directed toward this school system," Dr. Kaiser told the board.

"I am, however, issuing instructions to the principals to review their textbooks, particularly in the areas of social studies, to determine whether or not such books are in our libraries or classrooms; of course, if such materials are found they will be eliminated."

Textbooks in the Community Unit School District Nine have been selected on the basis of the

recommendation of the staff. By this method, textbooks are selected on the basis of the needs of the pupils and staff. However, constant vigilance must always be maintained.

"Materials are studied and re-evaluated annually. Whenever any citizen has any question concerning specific books used in the public schools, it will be helpful if these statements would be forwarded to the school district," he concluded.

"Mrs. Anthony married Oct- uber 1950, via sister of Caesar."

52 From Here To Report To Scout Camp On Sunday

Fifty-two Quad-Cityans will be included in a group of 141 campers at Camp Sunnee during the third week of the 1960 season.

Added to the 62 camping last week and the 124 at Sunnee last week, the third contingent will bring the season's total to 327.

An additional three weeks will remain after next week. The 327 figure includes 79 Quad-Cityans and 248 from other sections of the council.

Largest local contingent next week will be Troop 13 of St. Elizabeth Catholic Church. The unit will be represented by three leaders, Stanley Podraza, Edwin Reinhardt and Mike Krian, and 25 scouts—Jim Brawley, Ken Brawley, Bob Bury, James Byer, Mike Chandler, Mike Gibbs, Charles Henry, Larry Hoffke, Nick Jakich, John Jaro, Jim Krian, Francis McBride, Ronnie McBride, Tim McKay, Mike Mueller, Joseph Nemeth, Marty Peters, Denny Peters, Paul Podraza, Billy Pates, David Reinhardt, John Schwaiger, Tom Skidmore, Cy Walker and James Wittvrongel.

Central Christian Church Troop 99 will send Leader David Parrish and 12 boys — Foster Barnes, Andy Berkbigler, Gene Cass, Terry Caudy, Kent Fried- man, Drew Karandjoff, Dennis Randall, Eric Robertson, Gene Sternberg, Terry Woodward, Ronnie Yates and Terry Yates.

Troop Seven of St. Joseph's Catholic Church will be represented by Leader Tom Hildebrand and 10 scouts — James Fiedler, Harry Freeland, John Gallauer, Bennie Hildebrand, Stanley Huff, Michael Manning, Tom Miskoff, Larry Pieper, Alton Franke and Michael Range.

The other 89 campers reporting Sunday will be from Marine, St. Jacob and Highland.

SPOTLESSLY CLEAN

We could use an entire page in telling you the many features of this fine, unusual home, but we believe that you can appreciate the same only by SEEING it. A few particulars about the house are: 2 bedrooms, tiled walls in large kitchen and bath, carpeted living room, hardwood floors, full basement and attached garage with concrete floor. Combination windows and screens, aluminum awnings, full insulation, located on city sewer. Features of the lot are: large velvety lawn, beautiful landscaped, 180' FRONTAGE, large shade-providing weeping willow tree, good-size garden, 20 fruit trees. Bushes and shrubs galore (45). This is definitely an outstanding home for the prudent buyer. We are convinced of this and you will be, also, after seeing this unusually fine home. So call today for an appointment. Located on Zupan Street, Maryville, West of Center St. (Rt. 159).

 Madison County Farm Adviser
 Most wheat fields have been severely attacked by a disease called scab. For the third successive year the amount of scab has increased. With the damage previously done by the unusual amount of loose smut, yields of wheat will be considerably reduced.
 Damage from scab takes place only when the weather is warm and damp after the wheat heads are out. Conditions for the rapid development of scab were very favorable this year, with so much rain and high humidity.
 Heads of wheat attacked by scab may be totally or partially blighted. The infected spikelets bleach to a straw color, while healthy ones are green. When the humidity is high, a pink fungus growth can be seen at the base and crevices of the spikelets. Kernels are bleached white and may have a pink coloration. Some heads are entirely pink. Seed from plants having scab produces poor stands, seedling blight and weak plants. With so much smut and scab this year good seed may be hard to find next fall.
 One phase of scab is seedling blight, which can be controlled by planting clean seed treated with mercury seed treatment chemical. However, seed treatment is not effective in controlling head blight, the type of scab now doing our wheat. Head blight can be controlled to some extent by not growing wheat after corn, as one of the common corn root diseases is caused by the same organism that causes wheat scab. The spores live over winter on corn stalks, chaff and stubble.
 Where is no difference in wheat scab they are all susceptible, as there is no use to try to find seed of resistant variety.
 The prevalence of loose smut in wheat this year, most evident about 3 weeks ago when the black heads in the fields were noticeable, is so serious we believe it should be discussed some more.
 Wheat growers are facing a serious problem here in this soft wheat producing area, as loose smut has been building up here for at least the past 3 years. During this period when wheat was leading a d. flowering weather conditions have been all most ideal for maximum spread of the disease. With a lot of cloudy muggy weather. Prior to 1958 we had a few years when the humidity was relatively low, rains less frequent and the spread of smut much less spectacular.
 Dr. Mike P. Britton, extension plant pathologist, has been examining wheat fields in south central Illinois for the past few weeks and reports some very high counts of smut in the wheat, most commonly grown in these areas. Dr. Britton has reported field counts as high as 35% in some fields in south-western Illinois and states he found smut prevalent in all counties of the soft wheat area. Counts made in some of the fields of certified soft wheat ranged from 5 to 10 percent which makes those fields ineligible to certify.
 Unfortunately the varieties which have been grown most extensively in these areas—Knowlton and Dual—are both susceptible to this disease. At present we have no variety of short strawed, early maturing soft wheat—type which is preferred by farmers in that area—carrying good smut resistance.
 Naturally the question all those who are interested in wheat are asking is, "How come this heavy smut infection?" There are at least three reasons as we see it now, says Dr. Britton: first, the popular varieties which occupy more than half of the wheat acreage are susceptible; second, we have had at least three springs which were almost ideal for a maximum spread of the infection; and third, seed producers and seedmen who have produced seed from hot water treated seed or from foundation registered seed with low smut counts have not been able to provide adequate isolation to prevent a rapid build up of the smut.
 Where do we go from here? First of all, certified seed producers should secure new seed of the desired varieties grown from hot water treated seed or have required acreage; second, male every possible effort to grow the desired varieties in an isolation—at least 1/4 mile from treated wheat which is known to be infected with smut; third, watch the production of Vermilion and Monon both of which are relatively new and more resistant to hot water treated

seed to ascertain the prevalence of smut infection. According to the Purdue plant breeders who produced Vermilion this variety is considered "moderately susceptible" to smut. Apparently exhibited some field tolerance.
 Grain bins should be cleaned and treated to control insects before the new wheat crop is put in them. Malathion used as a spray in the empty bins has given excellent results. Mix 10 ounces of malathion in 5 gallons of water and spray the floor, walls and ceilings until the spray runs off.
 Several samples of white snakeroot have been brought to the office recently. This poisonous weed grows chiefly in woodlands, in shady places. It is a hazard to livestock, especially cattle. Watch for it—don't let the animals find it before you do.
 A vegetable grower's field day will be held in Normal township July 21. Variety tests of sweet corn, horseradish and other crops will be visited.
 The county dairy princess dinner held by the Farm Bureau last week with 200 people present was unusual in the punctuality, and interest shown by the guests. It started promptly at the announced time, everyone was there at the start, not a person was late and no one left before adjournment. Miss Nelda Best of Alhambra township was crowned county dairy princess and will represent the county in state competition. This activity is a part of June Dairy Month, observed nationally to stimulate consumption of milk and other dairy products.
